## Report of the Chair of the Critical Infrastructure Select Committee

### Draft Final Report

#### Purpose of the report

1. To present the draft final report and recommendations.

#### Background

2. On 15 September 2008, the Overview and Scrutiny Committee commissioned a Select Committee to examine issues associated with long term loss of services and utilities in Nottinghamshire linked to weaknesses in the critical infrastructure.
3. The objective of the review was to ensure that all potential weaknesses in the critical infrastructure have been identified and mitigated in order to preserve community resilience when very severe events occur.
4. The draft final report and recommendations are attached at Appendix A.

#### Recommendation

5. It is recommended that
  - i. the Critical Infrastructure Select Committee consider the draft final report
  - ii. that subject to the Chair and Vice Chair of the Critical Infrastructure Select Committee agreeing the final text of any amendments, the Critical Infrastructure Select Committee agree the final report
  - iii. the minutes of the Critical Infrastructure Select Committee on 23<sup>rd</sup> March 2009 be approved by the

Chair and Vice-Chair and be submitted to the  
Overview and Scrutiny Committee for information.
