DEMOCRACY
PROCEDURES

PART A – PROCEDURE RULES FOR MEETINGS OF THE FULL COUNCIL

INTRODUCTION

1. The County Council has four types of Full Council meetings:-
 - a. ordinary meetings – these meetings run throughout the year to carry out the business of the Council;
 - b. the annual meeting – usually held in May. In addition to the business of an ordinary meeting the annual meeting elects the Chairman and Vice-Chairman of the County Council who hold the posts until the annual meeting the following year;
 - c. the annual budget meeting – usually held in February to agree the Council's budget for the following financial year. This meeting generally only considers the budget reports; and
 - d. extraordinary meetings – meetings arranged outside of the schedule of ordinary meetings.
2. These rules are designed to ensure meetings of the Full Council run smoothly and are conducted properly to enable sound decision-making in line with Wednesbury principles and to ensure that the business of the Council is undertaken effectively and efficiently.
3. Councillors are responsible for ensuring their behaviour reflects the Nolan Principles in relation to Standards in Public Life and that they comply with the Procedure Rules and the Code of Conduct for Councillors and Co-opted Members at all times. Members are generally expected to be in attendance in their allocated seat for the duration of the meeting. During the meeting, the Chairman's ruling on behaviour is final.
4. So far as the law allows, any of these rules may be suspended at any meeting of the Full Council, either for the whole meeting or for a particular item on the agenda. In order to achieve this, a motion must be moved and seconded and a vote carried.
5. If any issues arise at a meeting in relation to interpretation of the procedure rules, the Chairman's decision will be final.
6. For the annual budget meeting some procedure rules will be suspended and alternative rules applied. See paragraph 108 below.

ARRANGEMENTS FOR MEETINGS

The annual budget meeting will continue beyond 5.30pm if necessary but not beyond 8.00pm. If the meeting has not concluded before that time a vote will be taken on the budget at 8.00pm and the budget will not be carried forward as an item to the next available meeting.

21. The minutes of the meeting may record any Councillor's absence from the Chamber of more than 10 minutes during a Full Council meeting.

DECLARATIONS OF INTEREST

22. Where any Councillor has an interest in any matter to be discussed or decided, they will, in accordance with the Code of Conduct for Councillors and Co-opted Members, declare the existence and nature of that interest and whether the interest is a Disclosable Pecuniary Interest. Any declaration of interest will be recorded in the minutes of the meeting.

25. Any person or officer of the authority who is appointed to do anything in connection with the County Council which enables them to speak at meetings, will make the same disclosures of interests and will withdraw from the room in which the meeting is being held on the same occasions as they would have to do if they were a County Councillor.

CONSTITUENCY ISSUES

26. At any Full Council meeting except the annual budget meeting and an extraordinary meeting, Councillors will be given an opportunity to speak for up to three minutes on any issue which specifically relates to their division and is relevant to the services provided by the County Council. If the matter raised does not meet these criteria the Chairman will instruct the Councillor to stop speaking.

27. Such a speech will not give rise to a debate on the issue or a question and answer session.

28. If any Councillor wishes to make a three minute speech the Governance Team in Democratic Services must be notified by 10am three working days before the Full Council meeting. The notification must confirm who will be making the speech and which council service it relates to, to enable its validity to be determined in advance of the meeting.

29. A maximum of 15 minutes is allowed for this item. The speeches will be taken in the order received. Any speeches not heard within the time limit will fall and can be submitted again at the next meeting which allows constituency issues.

PETITIONS

35. If a petition relates to more than one division the petition can be presented jointly if the relevant Councillors agree. If agreement cannot be reached the petition will be presented by the Council's Vice-Chairman.
36. Different procedures apply to some petitions as set out in the Council's petition scheme.

38. Any petition presented will be referred without debate to the appropriate committee for consideration. A report back to Council on the outcome of that consideration will be made at its next meeting.

CONSIDERATION OF REPORTS FOR DECISION BY COUNCIL

39. Reports are introduced by the relevant committee chairman.
40. The report recommendation is then 'moved' by one Councillor and 'seconded' by another Councillor. It then becomes a 'motion' for debate and the rules of debate apply. The motion is then debated before a vote is taken. Where a report contains more than one recommendation they will be moved as a single motion for debate.

This can include where a proposal by another member to make a change to a motion is accepted by the mover of the motion which then alters the proposed motion without the need for a vote on the proposed change.
74. An amendment is a proposal by another member to change a motion being debated which is not accepted by the mover of the original motion.

- 13. Where any Councillor has an interest in any matter to be discussed or decided, they will, in accordance with the Code of Conduct for Councillors and Co-opted Members, declare the existence and nature of that interest and whether the interest is a Disclosable Pecuniary Interest. Any declaration of interest will be recorded in the minutes of the meeting.
- 14. Where any Councillor has declared a Disclosable Pecuniary Interest in any matter, they will leave the room in which the meeting is being held while the matter is under consideration unless:
 - a. The Chief Executive has granted them a dispensation; or
 - b. the matter is only under consideration by the meeting as part of a report of the Minutes of a committee or sub-committee and is not itself the subject of debate.
- 15. If the Councillor has chosen to remain within easy reach, that Councillor will be recalled by an appropriate officer before any further business is started.

16. Subject to paragraph 17, any person or officer of the authority who is appointed to do anything in connection with the County Council which enables them to speak at meetings, will make the same disclosures of interests and will withdraw from the room in which the meeting is being held on the same occasions as they would have to do if they were a County Councillor.

17. Paragraph 16 above does not apply to members of the public who are entitled to speak at Planning and Rights of Way Committee.

CONSIDERATION OF RECOMMENDATIONS IN REPORTS AND THE RULES OF DEBATE

18. The report recommendation should be 'moved' by one committee member and 'seconded' by another committee member. It then becomes a 'motion' which may be debated before a vote is taken. The mover and seconder of the motion may speak for a maximum of 10 minutes when moving the motion. Where a report contains more than one recommendation they will be moved as a single motion for debate.

19. Motions relating to the following may be moved and seconded without notice, the Chairman may require the motion to be put in writing to ensure clarity of the motion being considered:

- a. alterations to motions
- b. amendments to motions

20. If a Councillor wishes to speak they should indicate their intention by raising their hand.

21. The Chairman will decide the order in which speakers will be heard. Any committee member who wishes to speak will be given the opportunity to do so unless any of the exceptions contained in these procedure rules apply.

22. Councillors can speak for a maximum of 5 minutes each time they are entitled to speak during a debate subject to paragraph 18.

23. Councillors when speaking must address the Chairman. Other Councillors will be respectful of and not interrupt the Councillor who is speaking.

24. Councillors must speak strictly to the subject under discussion.

25. Councillors may speak once on any motion and once on each amendment.

26. If the motion has been amended since the Councillor last spoke, that Councillor may move a further amendment to the motion.

27. Whenever the Chairman stands during a debate the committee must be silent.

28. Any committee member may at any time during a meeting request that the meeting be adjourned for a short period. The Chairman of the meeting has discretion to decide whether to agree the request and, if agreed, to determine the length of any such adjournment.
29. The committee member who moved the original motion has a right of reply at the close of the debate on that motion including where it has been amended during the debate.
30. At the end of a debate on an amendment to a motion, the mover of the amendment has a right to make closing remarks before the Councillor who moved the original motion exercises their right of reply.

ALTERATIONS AND AMENDMENTS TO RECOMMENDATIONS AND MOTIONS

31. An alteration is where the motion is changed by or with the agreement of the mover and seconder of the motion. This can include where a proposal by another member to make a change to a motion is accepted by the mover of the motion which then alters the proposed motion without the need for a vote on the proposed change.
32. An amendment is a proposal by another member to change a motion being debated which is not accepted by the mover of the original motion.
33. An alteration can only be made if it would be accepted as a valid amendment. The Chairman may require the alteration to be put in writing to ensure clarity of the motion being considered. Alterations can be accepted:-
 - a. when the mover changes the motion whilst moving it
 - b. during the debate to update the motion to maintain accuracy
 - c. if the mover accepts a proposed amendment
 - d. to make the motion more acceptable to Councillors
34. Amendments to a motion can be moved or seconded by any committee member, following the process set out in paragraph 19 to leave out words, to add words or both provided that such changes must not have the effect of fundamentally altering the spirit or intention of, or directly reversing the spirit or intention of, the original proposal (for example to recommend approval instead of refusal) and must be relevant to the original motion.
35. Amendments must:-
 - a. be asking the Council to make a decision which is lawful;

- b. be about matters for which the Council has a responsibility or which affects directly or indirectly residents or businesses of the County and the Council has the power to implement;
 - c. not be defamatory, frivolous or offensive;
 - d. not reverse a decision taken by the Council in the past six months;
 - e. not require disclosure of confidential or exempt information; and
 - f. include appropriate and sufficient information to enable Councillors to make a lawful decision for example legal, financial, statutory or policy implications.
36. The amendment may be rejected if it does not comply with the provisions set out in paragraph 35. The Chairman may adjourn the meeting to seek appropriate advice to confirm the validity of the amendment.
37. If a valid amendment is accepted by the mover of the original motion, no debate or vote will be required and it will become an alteration to the motion and will become the altered (substantive) motion.
38. Only one amendment may be moved and discussed at any one time. No further amendment may be moved until the amendment under discussion has been voted on.
39. If a valid amendment is not accepted by the mover of the original motion, the following procedure will apply:-
- a. the amendment will be debated
 - b. a vote will then be taken on whether the amendment should become the amended motion (substantive motion)
 - c. debate will continue and further amendments may be moved
 - d. after all amendments have been dealt with using the procedure stated above then a vote will be taken on the final amended motion (substantive motion)

MOTIONS NOT REQUIRING PRIOR WRITTEN NOTICE

40. Motions can be moved and seconded orally at meetings including a reason for proposing the motion to ensure meetings run smoothly and are conducted properly. The following are examples of such motions:
- a. appointment of a Chairman for the meeting in the absence of the Chairman and Vice-Chairman
 - b. request to withdraw a motion

- c. an amendment to a motion (the Chairman may require the amendment to be put in writing to ensure clarity of the amendment being considered)

- e. that the meeting be adjourned
- f. variation of the order of business
- g. suspension of a specific procedure rule (giving the procedure rule number to be suspended and the reason)
- h. exclusion of the public
- i. that a named committee member should not be heard further

BRINGING DEBATE TO EARLY CLOSURE

- 41. A committee member who has not already spoken on the matter may orally move a motion that a vote should be taken immediately. This must be seconded.
- 42. If the Chairman feels there has been sufficient discussion of the issue he may put the oral motion to the vote.
- 43. If the vote is carried the motion or amendment will be put to the vote following closing remarks as set out in the rules of debate.

POINTS OF ORDER AND PERSONAL EXPLANATIONS

- 44. With the consent of the Chairman any committee member may make a brief comment, ask a question designed to clarify a matter which has been raised, or indicate where they feel the procedure rules have not been followed. They may not introduce new material or make a speech on this.
- 45. The Chairman's ruling on this will be final and they may limit such exchanges to maintain the flow of debate.

VOTING

- 46. Votes in committee are to be determined by a show of hands.
- 47. When the vote is being called Councillors must remain seated and quiet, clearly hold their hand up to cast their vote and keep it up until the Chairman tells Councillors the vote has concluded.

48. Where there is an equal number of votes for and against a motion the Chairman can exercise a second (casting) vote.
49. A recorded vote will be taken if 2 or more committee members request it by a show of hands. The process will be as follows:
- a. The names of all committee members will be called and the vote of each member recorded.
 - b. The Chairman will announce the result.
 - c. The minutes will record how each committee member voted.
50. Whilst the recorded vote is being taken, Councillors must remain seated and quiet in the meeting room and, when called, use the microphone (if provided) to give their vote.
51. Any committee member can require that the minutes of the meeting record how they voted on any decision taken.

REVERSING DECISIONS

52. Committee decisions are final and should normally not be altered or amended for 6 months. However, where a decision proves to be unworkable for whatever reason a further report on the issue will be brought back to the original decision-making meeting for further consideration with the agreement of the Committee's Chairman and Vice-Chairman.

DISORDERLY CONDUCT

53. Councillors are expected to act in a reasonable and professional manner at committee meetings, in accordance with the Code of Conduct for Councillors and Co-opted Members and in compliance with the Council's Procedure Rules. Councillors should not misbehave by persistently disregarding the Chairman's ruling, or by behaving improperly or offensively, including by using offensive language or making personal remarks about individuals, or by obstructing the business of the meeting.
54. If, at any meeting, any Councillor in the opinion of the Chairman is in breach of paragraph 53 the Chairman will warn the Councillor about their behaviour.
55. If following any warning a Councillor continues to breach paragraph 53 the Chairman may move "that [the Councillor named] should not be further heard" and, if seconded, a vote will be taken without discussion.
56. If any Councillor continues the misconduct after a "should not be further heard" vote has been carried, the Chairman:

- a. may request the Councillor to leave the meeting; or
- b. may adjourn the meeting for any period considered necessary

The substitute will not be able to exercise any special powers or duties exercisable by the person they are substituting.

64. Only the first eligible substitute to declare at the meeting may replace the absent member. The identities of the substitute and of the absent member, and the reasons

PART C – PROCEDURE FOR TAKING URGENT DECISIONS

1. The Council's Constitution sets out who in the Council has authority to make decisions and the procedures for making those decisions.
2. Sometimes events will occur which require decisions to be taken urgently. The County Council needs to be able to respond quickly where failure to do so would not be in the public interest.
3. The procedure for taking urgent decisions should only be used where failure to take the decision quickly would, or would be likely to, harm the interests of the Council and the public, for example:
 - a. a service not being provided;
 - b. the Council breaking the law or financial rules;
 - c. the public being put at serious risk of harm;
 - d. the Council suffering financial loss;
 - e. consultation deadlines not being met.
4. The following are not suitable reasons for the use of the procedure:
 - a. poor planning;

Council Procedure Rules at paragraph 10 and the Committee Procedure Rules at paragraph 4.

OPTION C – DECISION BY THE CHIEF EXECUTIVE

9. The Chief Executive may take a decision which is normally reserved to committee or another officer, where he believes that the decision is urgent, after first:

 - the Leader of the Council,
 - the chairman and the vice-chairman of the relevant committee with authority to take the decision, and
 - the leader(s) of opposition group(s).
 - c. The Chief Executive will take into account any views he considers are relevant. The decision is the Chief Executive's alone.
 - d. The decision together with the reasons why it was urgent must be recorded in writing. The record of urgent decisions will be held by Democratic Services and will be made available for inspection.
 - e. Following the decision, a report will be submitted to the next available relevant committee meeting explaining:
 - the decision;
 - the reasons for it; and
 - why the decision was treated as a matter of urgency.

General

- 1.1 These Financial Regulations provide the framework of financial control and standards necessary to achieve the proper administration of the Council's financial affairs and are designed to safeguard the interests of both the Council and its employees. These Regulations cover the Council's main activities, its trading organisations and Pension Funds, and partnerships where the Council acts as the lead authority or where it acts as the accountable body.
- 1.2 If there is a conflict between the Council's Financial Regulations and other specific County Council regulations or codes of procedure, guidance should be sought from the Monitoring Officer as to which shall prevail.
- 1.3 All Nottinghamshire County Council records, whether electronic or paper-based, are subject to the Authority's Information Management Policy which establishes key principles for the management, retention, security and disposal of these records. All financial records must be retained in line with this policy, and in accordance with any relevant legislative requirements.

Role of Chief Finance Officer

- 1.4 The Service Director Finance, Infrastructure and Improvement is the appointed Chief Finance Officer (also known as the Section 151 Officer) for the Council, and is responsible for the proper administration of the Council's financial affairs and, subject to the Constitution and any resolutions of any Committee or the Full Council, may do all things necessary to discharge this responsibility.
- 1.5 Where the Section 151 Officer considers that there is a likelihood of a significant overall overspending, or a significant overspending on a Committee budget or any unlawful expenditure, a report will be taken to Full Council.
- 1.6 As the Council's financial advisor, the Section 151 Officer will prepare a budget showing the sources of income and proposed expenditure in each financial year. The Section 151 Officer will also keep the Finance Committee informed of the Council's overall financial performance, compared with the approved budget(s). The information required and the frequency of reporting will be determined by the Finance Committee.
- 1.7 The Section 151 Officer, after consulting with the Group Manager for Legal Services where appropriate, may vary, waive or suspend any financial regulation.
- 1.8 Where reference is made in these regulations to specific officers, they may nominate other officers to act on their behalf provided that they keep appropriate up-to-date written records of the nominated officers and the limits to their delegated powers.
- 1.9 The Section 151 Officer shall add financial comments to all reports being submitted to Committee or Full Council regarding the financial consequences of any proposed action.

These comments may include the sufficiency of the budget to finance the proposals being made or set out the action to be taken to make the necessary finance available. These reports must be submitted to the Section 151 Officer or his/her representative, at least 3 working days before the distribution of papers to pre-agenda.

Role of Corporate Directors

- 1.10 For the purposes of the Financial Regulations the term 'Corporate Director' includes the Chief Executive, the Service Director Customers, Governance and Employees and the Service Director Finance, Infrastructure and Improvement.
- 1.11 Corporate Directors are responsible for ensuring that employees and consultants in their departments are aware of, and comply with these Financial Regulations and that failure to comply may result in disciplinary action.
- 1.12 Corporate Directors must consult the Section 151 Officer on any matter which is liable to affect the finances of the Council before any provision or other commitment is incurred or before reporting to Committee. The Section 151 Officer has the right to be represented at meetings with partnerships or outside bodies where matters of financial significance are to be discussed.
- 1.13 Each Corporate Director and each Committee is responsible for the observance of Financial Regulations and for compliance with the decision making process defined in the Constitution.

2. FINANCIAL PLANNING AND BUDGETARY CONTROL

- 2.2 It is the responsibility of all Committees, in consultation with the relevant Corporate Director(s), to monitor and control their budgets approved for the year.
- 2.3 Amounts provided under each heading of the approved annual revenue estimates must not be diverted to other purposes except as allowed by Financial Regulations at paragraph 3.4 [Virements].
- 2.4 The inclusion of items in the approved revenue estimates constitutes authority to incur expenditure, subject to the regulations for commissioning and procurement of Goods, Services and Works (section 8), except where the Council, Committees, or Financial Regulations of the Council have placed a restriction on any item. Where items cannot be identified from the approved revenue estimates, authority for expenditure on those items must be obtained from the appropriate decision making body depending on the amount. Expenditure on special items may only be incurred subject to the regulations at paragraph 3.3.
- 2.5 Where expenditure is required on items not included within the approved budget, and which cannot be funded within the regulations for virement (see paragraph 3.4) Corporate

Directors must seek advice from the Section 151 Officer and obtain approval from Full Council.

- 2.6 Where external funding is available to cover additional revenue expenditure, Corporate Directors must obtain the approval of;
- The Section 151 Officer for additional amounts **up to £250,000**;
 - Finance Committee for additional expenditure **over £250,000**; and
 - Policy Committee for additional expenditure **over £500,000**.
- 2.7 Capital expenditure is not authorised unless the regulations set out in section 4 have been complied with.
- 2.8 Where a Committee wishes to take a course of action which has financial implications contrary to the advice provided by the Section 151 officer, a report on the issue must be taken to Policy Committee for determination.
- 2.9 The Section 151 Officer must submit a report to the Full Council on each year's final accounts as soon as practicable, and in accordance with the statutory Accounts and Audit Regulations.

Explanations of significant variations and proposals for avoiding any continuing budget problems must be explained to the relevant Committee.
- 3.5.2 All underspends will transfer to County Fund Balances unless specific approval is obtained for the carry forward of budget to the following year from Finance Committee, on presentation of a business case.
- 3.5.3 The annual surpluses and deficits of trading organisations will be carried forward in an 'Earmarked Reserve'. The level of these reserves will be kept under review by the Section 151 Officer and reported annually to Finance Committee and Full Council.

4. CAPITAL EXPENDITURE AND OTHER MAJOR PROJECTS

4.1 Inclusion of schemes in the Capital Programme

- 4.1.1 The Council has a Capital Programme, considered annually through an Annual Review Process. This programme is approved by Full Council and includes the capital schemes for the forthcoming financial year and the three years following.
- 4.1.2 The processes by which a capital scheme can be added to the Capital Programme are shown in the attached decision tree. The content of bids must be as set out in paragraph 4.2 below.
- 4.1.3 All proposals for capital expenditure should be considered initially by the Corporate Asset Management Group (CAMG) who will advise on the relative priority of future capital schemes, in accordance with the agreed prioritisation criteria within the Capital Strategy. Approval must then be obtained as follows:
 - 4.1.3.1 for schemes being considered through the Annual Review process, CAMG will make recommendations to the Chairman of Finance Committee and, in turn consult with the Corporate Leadership Team (CLT). A report will then be taken to Finance Committee for approval in principal and inclusion within the annual budget for approval by Full Council (see decision tree route a);
 - 4.1.3.2 for schemes arising during the budget year on an ad-hoc basis, CAMG will consider and advise the Chairman of Finance Committee and, in turn, will seek approval from the relevant approving body – see paragraph 4.1.4 (see decision tree routes b and c).
- 4.1.4 Where proposals are made for additional schemes during the year, or for cost variations to existing schemes, decisions can be taken as follows:
 - 4.1.4.1 schemes, or variation increases, **up to £250,000** by the Section 151 Officer;

- 4.1.4.2 schemes, or variation increases, **over £250,000 and up to £2 million** by Finance Committee;
- 4.1.4.3 schemes, or variation increases, **over £2 million** by Policy Committee.
- 4.1.5 For all schemes with a capital cost **OVER £7.5 MILLION** no detailed design work can be undertaken until a report on alternative design proposals has been approved by Policy Committee.
- 4.1.6 After approvals have been obtained under either paragraphs 4.1.3 or 4.1.4 above, Latest Estimated Cost (LEC) reports should be prepared and presented (see paragraph 4.4) before tenders are sought.
- 4.1.7 Where major projects are being procured through a 'Private Finance Initiative' (PFI), 'Public Private Partnership' (PPP) or equivalent arrangement, an options appraisal report should be prepared and approval must be obtained from Full Council before tenders are invited.

4.2 Content of Bids for Capital Expenditure

- 4.2.1 All proposed schemes, or programmes of work, must include an options appraisal which has been carried out before detailed design work begins, setting out the full lifecycle costs of the investment and the impact on future revenue budgets. All bids for capital expenditure must be prepared by Corporate Directors in the form laid down by the Section 151 Officer.
- 4.2.2 The advice of the appropriate technical officer(s) must always be provided before a scheme is included in any capital programme, e.g. Service Director for ICT for computer technology, Service Director for Property for building, construction and associated works.
- 4.2.3 When scheduling costs for schemes construction costs should not normally appear in the first year, unless the following criteria have been considered and the risks evaluated:
 - 4.2.3.1 purchase, lease or lease option of the land or property has been completed and land assembly costs and issues have been identified.

In the case of projects where the Council will not be the landowner or where powers of compulsory purchase are being exercised, a right of entry must have been obtained;
 - 4.2.3.2 outline planning permission must have been obtained, where required;
 - 4.2.3.3 the sources of funding, including any grants or contributions from outside organisations, have been secured - except for land reclamation projects where grant notification is not normally received until the year of the project;
 - 4.2.3.4 the service department has prepared a detailed business case for the project which has been agreed with the relevant technical officer who will carry out the design;
 - 4.2.3.5 there has been a proper assessment of the time-scale, the likely costs and governance arrangements for the project;

- 4.2.3.6 where existing property is affected by the proposed development, the service department has agreed proposals for dealing with staff or clients who might be displaced as a result of the construction (temporarily or permanently); and
- 4.2.3.7 relevant sustainability issues have been considered and impact assessments have been undertaken in accordance with any Council policies.
- 4.2.4 All costs should be at estimated out-turn prices, unless otherwise determined by the Section 151 Officer.
- 4.2.5 The anticipated revenue costs of all schemes in the capital programme must be assessed each year. The staffing, lifecycle maintenance and other running costs must be included in the revenue budget. The financing costs for expenditure funded by borrowing or leasing will be calculated by the Section 151 Officer and included within the overall revenue budget.

4.3 Feasibility Studies

- 4.3.1 The appropriate project manager/ technical officer can carry out feasibility work on any scheme not in the approved capital programme subject to:
 - 4.3.1.1 the relevant Committee agreeing to the cost being met from its revenue budget for the year; and
 - 4.3.1.2 prior approval from the Section 151 Officer has been obtained if the estimated cost of the feasibility study is **over £25,000**.
- 4.3.2 Detailed design work must not take place on schemes which are not included within the approved capital programme unless written approval has been obtained from the [Chief Executive and the] Section 151 Officer. This does not apply to schemes over £7.5 million that are subject to separate approval by Policy Committee (see paragraph 4.1.5).
- 4.3.3 The appropriate project manager/technical officer can carry out preparatory work on any scheme included in the approved capital programme. The costs of this work must be charged to that scheme. If for any reason the scheme does not go ahead, then the costs of preparatory work undertaken must be charged to the revenue budget of the relevant Committee, which will need to make available sufficient budget cover for this. This means that the project manager/ technical officer should not carry out preparatory work unless an undertaking has been secured for the funding of any abortive costs from the service department and the appropriate budget identified.

4.4 Project Management and reports on "Latest Estimated Costs" of Proposed Schemes

- 4.4.1 All projects should be managed in accordance with the principles of good project governance and management. Projects **over £250,000** should be governed, managed and delivered using best practice project management techniques e.g. PRINCE2. Where significant risks have been identified, they should be included in the Corporate Risk Register and addressed in accordance with the Council's Risk Management strategy.

4.4.2 Corporate Directors must take a report to the relevant Committee setting out the latest estimated costs of all proposed capital schemes where the capital cost is **between £250,000 and £1 million** and to Finance Committee for schemes where the capital cost is **over £1 million**. The report must be made after detailed design work has been completed but before tenders are invited and should contain:

4.4.2.1 Capital costs analysed into:

4.4.2.1.1 land acquisition costs and associated liabilities;

4.4.2.1.2 construction costs;

4.4.2.1.3 acquisition of plant, equipment and furniture;

4.4.2.1.4 professional fees (including legal fees) and project management costs;

4.4.2.1.5 any other relevant costs.

4.4.2.2 Revenue costs identified and analysed into:

4.4.2.2.1 staffing costs;

4.4.2.2.2 energy costs;

4.4.2.2.3 other running costs;

4.4.2.2.4 financing costs;

4.4.2.2.5 lifecycle maintenance costs.

In addition to total costs, their phasing over each financial year should be shown. If the costs exceed the existing capital programme provision for that scheme, the

report must contain a statement on how these extra costs can be contained within the approved total capital programme or, if further capital funds are required, approval to increase the capital programme (the capital variation) must be obtained as set out in paragraph 4.1 above.

4.5 Budgetary approval prior to Contract Award

4.5.1 Where the preferred tender exceeds the LEC or Capital Programme estimate, Corporate Directors must submit a revised LEC report and obtain all necessary approvals for the additional expenditure needed before accepting the tender.

4.5.2 The award of contracts must comply with the procedures for the procurement of Goods, Services and Works set out in section 8 and the guidance must be sought from the Procurement Centre and Legal Service.

4.6 Final Accounts

4.6.1 Corporate Directors must report the final accounts for capital schemes over £1 million to the relevant Committee.

- 4.6.2 The Section 151 Officer shall, where considered necessary, examine any scheme final accounts and is entitled to make such enquiries and receive such information and explanations as may be required to confirm the completeness and accuracy of the accounts.

4.7 Post-Project Evaluations

- 4.7.1 Corporate Directors have the responsibility to ensure the completion of a post project review for all their projects.
- 4.7.2 The post project review should normally address the following matters:
- 4.7.2.1 out-turn costs vs original cost estimates and the reasons for any cost increases;
 - 4.7.2.2 breakdown of the professional fees incurred;

 - 4.7.2.4 overall project outcomes and quality of project management;
 - 4.7.2.5 achievement of service objectives and benefits;
 - 4.7.2.6 lessons to be learned for future projects.
- 4.7.3 For completed projects, post-project reviews must be evaluated by the Corporate Asset Management Group (CAMG) and an annual report submitted by the Chairman of CAMG to the Finance Committee as follows:
- 4.7.3.1 projects **up to £5 million** - for a sample of projects selected by CAMG;
 - 4.7.3.2 projects **over £5 million** - all projects.

- 5.4 Corporate Directors are responsible for ensuring that appropriate systems and procedures are in place for the proper transfer of all financial records and assets, e.g. stocks, stores, imprest accounts, inventories, valuables, cash, etc., when responsibility is to transfer from one officer to another.
- 5.5 The accounting control systems of the Council must include:
- 5.5.1 measures to promptly and accurately record all financial transactions of the Council;
 - 5.5.2 measures to prevent and detect inaccuracies and fraud, and reconstitute any lost records promptly and at reasonable cost;
 - 5.5.3 identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers.
- 5.6 At the end of each financial year, Corporate Directors must notify the Section 151 Officer of all outstanding expenditure relating to the previous financial year in such detail and by such date as may be required by the Section 151 Officer so that accounts can be prepared to meet statutory reporting requirements (known as the accruals process).

- 8.1.6 If contracts arranged through the Procurement Centre already exist then these must be used. If not, Government or other public body frameworks must be used unless they do not meet service delivery needs.

Whenever possible and appropriate SME's and local suppliers should be encouraged to submit a quotation or tender.

Thresholds:

The current thresholds are set out in the table above; however, valuation of contracts is not always straightforward. Splitting of contracts in order to avoid the EU Rules is not allowed. Advice and guidance should be sought from the Procurement Centre.

Allowed Exceptions:

Where the contract value is **less than the EU threshold** there are limited circumstances where obtaining quotations / tenders is not required:

- a. The work to be executed or the goods or materials to be supplied consist of repairs to, or parts for, existing proprietary machinery, where such repairs or parts are specific to that machinery or upgrades to existing software packages.
- b. Works, supplies or services are urgently needed for the immediate protection of life or property, or to maintain the immediate functioning of a public service for which the Council is responsible. In such cases the contract must only last as long as is reasonably necessary to deal with the specific emergency
- c. The Corporate Director, in consultation with the Group Manager for Procurement, decides that special circumstances make it appropriate and beneficial to negotiate with a single firm or that a single tender be invited and that best value for the Council can be achieved by not tendering

In all cases where the value is over £5,000 but below the EU thresholds prior approval via a Financial Regulations Waiver Request Form (available on the intranet) must be obtained for all exceptions to these Financial Regulations.

Advertising:

All Source Notts adverts, Contracts Finder and OJEU notices must be routed via the Procurement Centre for publication.

Corporate Contracts:

Where there is no single budget holder then the Budget Holder signatory role may be undertaken by the Group Manager for Procurement.

Building Works

Property Services should be contacted for any contracts that impact upon the Authority's property portfolio.

8.2 Joint Procurement

8.2.1 The Council may procure goods, services and works through collaborative procurement exercises or joint commissioning in partnership with other public sector organisations. - 8.4.2 All invitations to quote/tender must specify that the Council is not bound to accept the lowest or any quotation or tender.
- 8.4.3 Tenders may be evaluated on the basis of price, or a mixture of price and quality criteria. The basis on which the tender will be evaluated must be determined before tenders are invited and included as part of the invitation to tender information.

8.6 Clarification and Negotiation following tender submission

8.6.1 Where examination of tenders reveals errors which would affect the tender figure in an otherwise successful tender, the tenderer must be notified of such errors and be given the opportunity to clarify and confirm or withdraw their tender. Under no circumstances must the clarification process be used to attempt to seek an adjustment of prices or other changes to the specification tendered.

8.6.2 EU Directives only allow for negotiations under specific circumstances where the procurement is above EU thresholds, they are:

- competitive procedure with negotiation, no negotiation is permitted after receipt of final tenders.
- or the Innovation Partnership Procedure all tenders except final tenders can be negotiated
- Competitive Dialogue allows limited negotiation with the preferred bidder to confirm financial commitments or other terms of the tender. This negotiation is permitted provided that it does not have the effect of materially modifying essential aspects of the tender.

In these circumstances advice must be sought from the Group Manager for Legal Services.

8.6.3 For procurement below EU thresholds, guidance must be sought from the Procurement Centre about the circumstances in which negotiations are permissible and the procedure for the relevant contract procurement must be followed.

8.7 Tender Evaluation

8.7.1 All tenders must be evaluated in accordance with the published evaluation criteria set out in the contract notice or the invitation to tender.

8.9.2 All contracts must be performance managed by the commissioning department in accordance with best practice, the Strategic Management Framework and any applicable performance management requirements including relevant committee oversight. Any significant contract management concerns or issues should be

reported to the Section 151 Officer and the Group Manager responsible for Performance.

8.9.3 Contractors may only be paid for matters which fall within the terms of the contract. Any claims for payment falling outside the terms of the contract must be referred to the Group Manager for Legal Services for consideration of the Council's legal liability as soon as possible. Where the Group Manager for Legal Services considers it necessary, these claims must also be referred to the Section 151 Officer for consideration before any settlement is reached.

8.9.4 Valid claims for loss and expense arising from delays and disruption must be notified to the Group Manager for Legal Services where they are likely to exceed £100,000 or for any amount where there is a possibility of legal proceedings, including arbitration or alternative dispute resolution procedures provided by the contract.

8.9.5 Where there is provision in the contract for liquidated and/or ascertained damages, these rights must be enforced where contracts are not completed within the original contract period (plus any extensions of time granted in accordance with the contract) unless otherwise agreed in writing by the Section 151 Officer and the Group Manager for Legal Services.

8.10 Procurement and Ordering

8.10.1 Purchase Orders must be in the form approved by the Group Manager for Procurement and Group Manager for Legal Services.

- 8.10.4 For all goods, services or works an official purchase order should be raised before they are ordered.

All orders should be raised via the Council's Business Management System (BMS) unless the use of Purchase Card, Petty Cash or Legacy system has been approved. Within BMS the limit for system approvals is as follows:

- 8.10.5 Purchase Card purchases must only be made by authorised officers. Purchase Card application forms are available on the intranet and must be approved by the Group Manager for Procurement.
- 8.10.6 Petty cash (Imprest Accounts) purchases must only be made by authorised officers and in accordance with the requirements set out under section 10.4.

9. PAYMENT FOR GOODS, SERVICES AND WORKS

- 9.1 Payment for goods, services and works relating to approved orders in BMS do not need further approval. See separate guidance on raising, approving and making variations to purchase orders in BMS on the Council's BMS webpages.
- 9.2 For BMS non-purchase order related payments before authorising an official purchase invoice, or any process that may lead to a payment, officers must:
 - 9.2.1 ensure they are authorised to process the payment (see BMS limits for system approvals set out in paragraph 8.10.5);
 - 9.2.2 satisfy themselves that the goods/services/works are a proper charge on the funds under their control;
 - 9.2.3 satisfy themselves that the goods/services/works have been received, conform in all respects with the official order and are acceptable in every way;

- 9.2.4 ensure that amounts are correct and include all discounts due;
- 9.3 Where payment is made by Purchase Card, charge card or credit card, it may not be possible to comply with paragraph 9.2.3 above but officers must ensure compliance with paragraphs 9.2.1, 9.2.2, and 9.2.4 and with the guidance for the use of Purchase Cards (see separate guidance on use of Purchase Cards on the Council's BMS webpages).
- 9.4 The Council's normal method of payment of monies owed is by BACS, cheque or Purchase Card.
- 9.5 Direct Debits must not be set up on any of the Council's bank accounts, including imprest accounts, without the prior written approval of the Section 151 Officer.
- 9.6 Direct Debits must be cancelled promptly when the related goods or services are no longer being received. All Direct Debits must be reviewed annually to confirm they are still appropriate.
- 9.7 An officer initiating payment should ensure that the account has not previously been passed for payment and that it is coded to the correct accountancy code for which prior approval has been obtained from the budget holder.
- 9.8 The duties of ordering, receiving goods and certifying invoices for payment must not be performed by the same officer without prior agreement of the Section 151 Officer. Where alternative electronic procurement systems to BMS have been approved, these systems may allow single officers to do this, provided that they have suitable security protocols to the satisfaction of the Section 151 Officer.
- 9.9 VAT invoices must not be amended. A credit note or replacement invoice must be obtained from the supplier.
- 9.10 Invoices must not be made out by officers of the Council except in the case of recurring or other items, e.g. rent where no invoice is normally receivable, when a payment request form may be used. An officer must not add any additional item or items to an invoice received by the Council.

9.11 Contract Payments

- 9.11.1 Where contracts provide for payment to be made by instalments, the appropriate Corporate Director must ensure that a record of the payments made is maintained on the project file. The record(s) must show the state of account on each contract between the Council and the contractor together with any other payments and the related professional fees.
- 9.11.2 Payments to contractors in instalments must be made only on provision of a certificate showing the total amount of contract, the value of the work executed to date, retention monies, the amount paid to date and the amount now certified. These certificates should be issued by the appropriate Corporate Director or by their authorised nominee.
- 9.11.3 The approved sum payable to the contractor is the tender sum as accepted under the procedure at paragraph 8.8 plus such additional sums due under the contract as have also been properly incurred and approved by the relevant budget holder.

- 9.11.4 As soon as it becomes apparent that the approved sum will be exceeded, a report must be presented to the Section 151 Officer, who may also require a report to be submitted to the Finance Committee.
- 9.11.5 Where claims for payment are submitted for amounts which exceed the approved sum the Section 151 Officer only has authority to pay such claims where the amounts can be justified as being in the best interest of the Council, having regard to the procedures in paragraph 8.5.
- 9.11.6 In respect of variable price contracts, such as PFI or PPP contracts which have complex variation procedures, the appropriate Corporate Director must periodically review the cost and report to the Section 151 Officer if the approved budget over the life of the contract is likely to be exceeded. These reports must be made whenever significant increases are identified up to completion of the contract. The Section 151 Officer may decide that a report must also be taken to the relevant Committee and/or Finance Committee.

10. INCOME, BANKING AND IMPREST ACCOUNTS (Known as Petty Cash)

10.1 Income and Receipts

- 10.1.1 The Council has nominated the Section 151 Officer as its anti-money-laundering officer. The Council's anti-money-laundering policy and guidance is available on the intranet. Corporate Directors must ensure compliance with this policy.

- 10.1.5 Where income is received by cheque, it must be cross-referenced on the bank paying-in slip to the drawer, either by receipt number or name. In addition, the reverse of each cheque must show the department, office or establishment that paid the cheque into the bank.

- 10.1.6 For establishments with access to the BMS cash receipting system all income must be recorded by the end of the business day. The income must be recorded before it is banked, and the total shown on the bank paying-in slip must equal the total value entered onto the system.
- 10.1.7 All monies received must be banked intact, and as promptly as possible and at least weekly.
- 10.1.8 Where there is a main collection e.g. school meals money, all monies must be banked, or lodged with the approved collector, on the day of the collection.
- 10.1.9 If an officer fails to comply with the above guidelines and a loss occurs, the Section 151 Officer may, where appropriate, seek restitution from the officer concerned in accordance with the Personnel Handbook, section D36.

- 10.1.12 Prior approval of the Section 151 Officer is required before procuring an e-payments on-line solution or electronic point of sale device. The Section 151 Officer will require details of the provider and PCI compliance certificate.

10.2 Accounts Receivable

- 10.2.1 The Council will seek to recover all debt owed to it in accordance with the approved payment terms. Corporate Directors must ensure all invoices comply with the Council's corporate invoicing standards, and are raised within 10 working days of the goods and/or services being provided unless otherwise approved by the Section 151 Officer.
- 10.2.2 Sales invoices should not normally be raised to cover sums due to the County of **LESS THAN £30**. Wherever possible small sums should be collected in advance.

10.3 Write-Offs

- 10.3.1 Corporate Directors must seek approval from the Section 151 Officer for the write-off of any debt. Amounts **over £1,000** may be written-off by the Section 151 Officer after consultation with the Group Manager for Legal Services.

- 10.4.1 Corporate Directors must operate imprest accounts in accordance with the guidance provided and arrangements between their department and the Section 151 Officer.
- 10.4.2 The Section 151 Officer will control the opening and closing of imprest accounts in line with overall banking arrangements at the request of the appropriate Corporate Director.
- 10.4.3 The Section 151 Officer will determine the appropriate level of the imprest, based on the average monthly level of petty cash expenditure in the establishment concerned.
- 10.4.4 The nominated imprest holder must ensure that all transactions are recorded promptly and that monthly statements are submitted to the Section 151 Officer.
- 10.4.5 The nominated imprest holder must ensure that the imprest account is not overdrawn.
- 10.4.6 Income received on behalf of the Council must not be paid into an imprest account.
- 10.4.7 Payments from an imprest account should normally be limited to minor or urgent items of expenditure, or payments via charge cards. Each payment must be supported by a receipt which should be appended to the subsequent reimbursement claim.
- 10.4.8 All imprest accounts are subject to Council audit. The nominated officer in charge of the account will be required to give the Section 151 Officer a certificate as to the state of the imprest account on request.
- 10.4.9 Where a nominated officer responsible for an imprest account leaves the Council, the Corporate Director concerned must notify the Section 151 Officer as soon as possible that the officer is no longer responsible for that account and notify an alternative nominated officer.

10.5 Banking

- 10.5.1 The Section 151 Officer must operate banking accounts in accordance with the bank contract approved by the Finance Committee. All bank accounts must have a title which incorporates the Council's name and in no circumstances should a bank account be opened or operated in the name of an individual.
- 10.5.2 All payments to and from Council bank accounts must be made under the direction of the Section 151 Officer.
- 10.5.3 All cheques drawn on the Council's main bank accounts must bear the printed signature of the Section 151 Officer. Where required by the Council's bank mandate, cheques must also be countersigned by a second officer who is authorised to do so by the Section 151 Officer. The Section 151 Officer must ensure a register of authorised cheque signatories is maintained.
- 10.5.4 All payments by CHAPS must be authorised by a senior officer nominated by the Section 151 Officer. Request for CHAPS payments and guidance on such

payments is obtained from the Group Manager – Financial Strategy & Compliance.

11. RISK MANAGEMENT AND INSURANCE

- 11.1 The Council's approach to risk management is detailed in its Risk Management Strategy and the Corporate Risk Register contains the key risks facing the Council and how these risks will be managed. Corporate Directors are responsible for ensuring that risk management is applied appropriately within their Department and for notifying the holder of the Corporate Risk Register of all appropriate risks in accordance with the Risk Management Strategy.
- 11.2 The Section 151 Officer is responsible for arranging all necessary insurance cover and for reviewing the adequacy of this cover regularly, in consultation with Corporate Directors. The Section 151 Officer will also keep Corporate Directors informed of claims experience.
- 11.3 Corporate Directors are responsible for notifying the Section 151 Officer of all material changes in insurance risks and must submit insurance claims in accordance with the arrangements made by the Section 151 Officer.
- 11.4 In the event of buildings, contents, motor vehicles etc. being lost, stolen or damaged, contact must be made with the Risk and Insurance Section on the same day, or if the incident is outside of office hours, immediately on the following day.

Above this limit, the Risk and Insurance Manager must consult the Section 151 Officer and agree settlements as appropriate, in consultation with the Council's insurers and loss adjusters. Reports related to significant claims settled will be submitted to the Finance Committee.

12. WORK FOR EXTERNAL BODIES (INCLUDING PARTNERSHIP WORKING)

12.1 General Requirements

- 12.1.1 The Council has the power under the Local Authorities (Goods and Services) Act 1970 to undertake and tender for the work of other public bodies. Other powers introduced in the Local Government Act 2003 and the Localism Act 2011 enable the Council to:
 - 12.1.1.1 charge for discretionary services subject to certain rules; and
 - 12.1.1.2 trade for a profit provided that a separate company is set up.
- 12.1.2 In all cases where a Department wishes to explore the possibility of working for, or trading with, external bodies, Corporate Directors must consult with the Group

Manager for Legal Services and the Section 151 Officer. This applies to new types of sold service or working for bodies not previously subject to consultation.

- 12.1.3 Where work is carried out for external bodies, officers must seek guidance from the Procurement Centre and Legal Services
- 12.1.4 Before entering into any contract or agreement to work for, or trade with, external bodies, Corporate Directors must present a report to, and obtain prior approval from the relevant Committee, including consideration of a business case where trading for a profit is proposed. See paragraph 12.3.2 below. This applies to new types of sold service or working for bodies not previously subject to a report.
- 12.1.5 All new contracts to supply services under the legislation listed in this section must be approved by the Group Manager for Legal Services and Section 151 Officer.

12.2 Charging for Discretionary Services

- 12.2.1 The Council is able to charge for services which it has the power to provide, but is not obliged to provide to the public, i.e. discretionary services.
- 12.2.2 The Council is under a duty to ensure that, taking one year with another, the charges made do not exceed the cost of providing the services. Charges can be set so that different people are charged different amounts, or are not charged for the service at all.
- 12.2.3 The person receiving the service must have agreed to receive the service and pay for it.
- 12.2.4 The power does not override any other legislation which expressly prohibits the Council from charging for a discretionary service.
- 12.2.5 Where charges are made for discretionary services arrangements should be put in place, and fully documented in a form approved by Legal Services, to provide the recipient of the service with:
 - 12.2.5.1 the terms and conditions for the provision of the service;
 - 12.2.5.2 information about charges, including discounts and annual increases;
 - 12.2.5.3 billing and payment arrangements.
- 12.2.6 Careful consideration must also be given by the relevant department to the following issues :
 - 12.2.6.1 the risks to the Council as a whole of engaging in such activity;
 - 12.2.6.2 the need to ensure appropriate skill and expertise is in place before offering to undertake work;
 - 12.2.6.3 the need to ensure that the proposals are properly costed before agreeing to supply the goods, works or services;

- 12.2.6.4 the type of warranties and/or indemnities that may be required from the Council regarding the quality of work/service provided (this is especially likely when tendering for work for other bodies);
- 12.2.6.5 the provision of adequate insurance arrangements to cover the Council for any liability in negligence or contract for the work undertaken;
- 12.2.6.6 due consideration being given to the impact of such arrangements on the Council's core duties, functions and obligations to prevent any adverse impact on them;
- 12.2.6.7 ensuring that the Council is not at risk from bad debts and to seek, where possible, advance payment;
- 12.2.6.8 ensuring that no contracts for external bodies are subsidised by the Council from public funds;
- 12.2.6.9 Any other considerations relevant to the particular activity.

12.3 The power to trade

- 12.3.1 This power allows the Council to trade for a commercial purpose (i.e. for profit) through a company.
- 12.3.2 All work for, or trade with, external bodies for profit must be conducted through a separate incorporated company which has been formally set up for the purpose. It should be noted that when the company has been established it will be a separate legal entity from the Council.
- 12.3.3 Where it is intended to trade for profit, Corporate Directors must prepare a sound business case for the proposed activity, based on a genuine risk-based approach. The business case must be a robust commercial assessment which explains why trading through a company is desirable and will provide best value for the Council.
- 12.3.4 Consideration within the business case will be required for each of the matters listed in paragraph 12.2.5 and 12.2.6 above plus such issues as:
 - 12.3.4.1 the need to transfer staff and consideration of the Transfer of Undertakings (Protection of Employment) regulations (TUPE);
 - 12.3.4.2 the impact on the trading activities of the service, as it may no longer be possible for the Council to award work directly to the company, instead it may have to bid for it via a competitive tender process;
 - 12.3.4.3 pensions implications;
 - 12.3.4.4 premises requirements;
 - 12.3.4.5 taxation implications.
- 12.3.5 The approval of Policy Committee will need to be sought to exercise a power to trade and to set up the company.

12.4 Pricing, Charging and Accounting Issues

- 12.4.1 As a general principle, the charge for any work performed for an external organisation should cover the estimated full cost of undertaking the work. The full cost would include the direct cost of undertaking the work (e.g. based on the number of days of staff time the work is likely to take, any associated travelling expenses, printing costs etc.) and a contribution towards overheads (e.g. office expenses, management overheads, accommodation costs etc.). Any deviation from this principle must be approved by the Section 151 Officer.
- 12.4.2 Charging, accounting and monitoring arrangements should be as follows:
- 12.4.2.1 income should be collected in accordance with these regulations;
 - 12.4.2.2 invoices should be rendered promptly and normally within one month of supply or in accordance with the contractual arrangements;
 - 12.4.2.3 the income arising from the performance of work for external organisations must be identified separately within the relevant service's accounts and it should be possible to determine associated direct expenditure;
 - 12.4.2.4 appropriate arrangements should be devised to monitor resource inputs, e.g. if the contract price is based on person-days, the number of person-days actually taken should be monitored;
 - 12.4.2.5 for External Audit requirements it is important to be able to identify work carried out for external organisations separately in the Council's accounts. Further guidance on accounting and monitoring should be sought from the relevant Senior Finance Business Partner.
- 12.4.3 Corporate Directors must produce an annual report on the work carried out for external organisations for the relevant Committee.

13. INVESTMENT AND BORROWING

- 13.1 The Section 151 Officer is responsible for arranging the investment of Council funds and the Pension Fund in accordance with approved Council policies.
- 13.2 Each year Full Council will approve the Treasury Management Strategy and Policy.
- 13.3 The Section 151 Officer is responsible for arranging the borrowing and lending of money on the best available terms taking into account:
- 13.3.1 present and anticipated economic conditions;
 - 13.3.2 projected flow of funds, and;
 - 13.3.3 the approved Treasury Management Strategy and Policy.

- 13.4 The Council has accepted the CIPFA Prudential Code for Capital Finance, and the Code of Treasury Management. The Section 151 Officer must report any significant variations to the Prudential Indicators, with any necessary explanations to the Finance Committee as soon as practical.

14. LEGAL CLAIMS AND SETTLEMENTS

14.1 Corporate Directors must

14.1.1 Refer all potential legal claims for recovery of sundry debt collection matters to the corporate team responsible for debt recovery.

14.1.2 Refer all potential or actual legal claims in relation to insured losses to the Risk and Insurance team.

14.1.3 Seek advice from Legal Services on all other matters where the Council might have a legal claim against a third party and where there is likelihood that the

Council will be sued by an outside body or individual or where legal proceedings are threatened or commenced. In addition, Corporate Directors must inform the Section 151 Officer where the Council's finances might be affected and must co-operate with and provide all information requested by Legal Services.

14.2 Corporate Directors, in consultation with the Group Manager for Legal Services, the head of the corporate team responsible for debt recovery or the head of Risk and Insurance team as appropriate, have the power to settle such claims in order to avoid litigation and/or to achieve best value for the Council subject to the provisions in relation to write-offs set out in paragraph 10.3.1 and the provisions in relation to insured losses set out in paragraph 11.7.

15. PROTECTING PUBLIC FUNDS AND ASSETS

15.1 The Council has a responsibility to protect its public funds and assets and has developed a strategy to deter fraud and corruption together with a strategy for protecting public funds and assets and also has a Whistle Blowing Policy to allow concerns to be raised. These can be found on the Council's website.

16. AUDIT

16.1 The Section 151 Officer is responsible for arranging the continuous independent internal audit of the Council. The role of the Internal Audit Service is set out in the Internal Audit Charter in compliance with the Public Sector Internal Audit Standards and the Accounts and Audit Regulations.

16.2 Internal Audit focuses on the Council's control environment and independently appraises the internal controls present in financial and other systems. The arrangements made by Corporate Directors for secure, economic, efficient and effective use of resources are also reviewed. Internal Audit reports are produced containing recommendations which must be responded to formally in writing. The results of Internal Audit work contribute to the Council's Annual Governance Statement.

16.3 Internal Audit staff have the right of access to such records, assets, premises and personnel, and are entitled to receive such information and explanation, as they think necessary for the proper fulfilment of their duties.

- 16.4 If an irregularity occurs or is suspected, which may involve financial loss it must be reported immediately to the Section 151 Officer who may investigate and report to the Monitoring Officer and the relevant Corporate Director. The Section 151 Officer and the Monitoring Officer will jointly determine what further action to take, in consultation with the Corporate Director.
- 16.5 The Internal Audit Service reports on relevant audit issues on a regular basis to the Council's Governance and Ethics Committee. Frequent liaison also occurs between Internal Audit and the Council's external auditors who rely upon the work of Internal Audit when forming their opinion on the Council's key financial and other systems.

17. LAND AND BUILDINGS

17.1 Introduction

- 17.1.1 The Policy Committee is responsible for all property related functions including the acquisition and disposal of land and buildings.
- 17.1.2 The Service Director for Property must maintain a record of all land and buildings owned or occupied by the Council and shall publish prescribed details as required by regulation.
- 17.1.3 Details of all land and buildings transactions must be notified promptly to the Section 151 Officer in order that the transactions may be properly recorded in the financial records.

17.2 General

- 17.2.1 Councillors and officers who have any pecuniary or other private interest in any property transaction relating to any Council land or buildings must ensure that they comply with the appropriate codes of conduct, and shall not be supplied with or given access to any tender documents, contracts or other information without the authority of the Monitoring Officer.
- 17.2.2 The Service Director for Property will report periodically to the Policy Committee on all operational property transactions, summarising key transactional information, including how value for money was achieved.
- 17.2.3 Policy Committee clarifies annually the operational decision making boundaries for officers for all property transactions.
- 17.2.4 Policy Committee shall approve an annual Property Statement which includes information on the various appropriate methods of disposal and the most appropriate disposal strategy for different types of property assets.

17.3 Acquisition

- 17.3.1 Funding for the acquisitions of land or buildings (including entering into leases of property) is dealt with under the rules governing capital expenditure and other major projects (see section 4).

17.4 Disposal (including granting rights and interests)

- 17.4.1 The Council is under a statutory obligation when disposing of land or buildings to obtain the best price reasonable obtainable on the open market. Therefore, consideration must be maximised including, where appropriate, sharing in any increase in value of the land arising from future development (“overage provision”). Value for money is demonstrated by reference to the most current market valuation for the asset being disposed.
- 17.4.2 When selling land the effect on the value and use of the Council’s retained land must be considered and appropriate value must be obtained.
- 17.4.3 When **granting rights or interests** in land the effect on the value and use of the Council’s retained land must be considered and appropriate value must be obtained.
- 17.4.4 Subject to Secretary of State approval, Policy Committee approval is required in all cases where the disposal or granting of an interest in land does not meet the current market value (a disposal at an **undervalue**). Such disposals also require the consent of the Secretary of State.

17.5 Methods of Disposal

- 17.5.1 Disposals must be by one of the methods outlined below:

17.5.2 Formal Tender

- 17.5.2.1 Under the formal tender process the tender documentation forms the contract for sale. Tenders will be paper based and must be submitted in accordance with the procedures set out below unless an electronic system approved by the section 151 Officer and the Group Manager for Legal Services is in operation.
- 17.5.2.2 The form of tender will be settled by the Service Director for Property after consultation with the Group Manager for Legal Services and must be capable of acceptance as a binding contract.
- 17.5.2.3 Every invitation to tender must state that a tender will only be considered if it is submitted in accordance with the instructions provided, and received by the date and time specified in the invitation to tender. The invitation to tender must also state that tenders which do not comply fully may be rejected and that the Council reserves the right not to accept the highest or any tender received.
- 17.5.2.4 At least 28 days before the last date for the receipt of tenders, an initial public notice must be placed in at least one local newspaper and, dependent on the nature of the land or buildings to be sold, in national newspapers and in such other publications as the Service Director for Property considers desirable. The notice must describe the land to be sold, invite requests for tender documents and state the date and time by which tenders are to be returned.

- 17.5.2.5 Tenders submitted must arrive in a sealed, plain envelope or package with the word “Tender” and the title of the contract clearly written on each envelope or package.
- 17.5.2.6 Such envelopes and packages must be addressed to the Service Director for Property and upon receipt each envelope must be stamped with the date and time they were received.
- 17.5.2.7 Until such time specified for opening tenders, tender envelopes or packages received must remain securely held in the custody of the Service Director for Property or their authorised nominee.

- 17.5.2.8 The opening of tenders must comply with the following requirements:

Total estimated cost less than £100,000 - tenders must be opened recorded at one time in the presence of:

- an officer from the Council’s Property team; and
- a supervising officer, with suitable seniority, training and experience in the role and responsibilities of a supervising officer, who must not have any direct involvement in the disposal.

The estimated cost £100,000 or more - tenders must be opened and recorded at one time in the presence of:

- an officer from the Council’s Property team; and
- a supervising officer, with suitable seniority, training and experience in the role and responsibilities of a supervising officer, provided by the Group Manager for Legal Services or the Section 151 Officer.

- 17.5.2.9 A formal record of all tenders received for each contract must be retained and include:

- I. description of the land being disposed;
- II. the date and time tenders were opened;

- a. details of the totality of travel undertaken under this policy;
- b. information as to occasions upon which other than standard/economy class travel or its equivalent has been used.

PART B – CODES OF CONDUCT AND GUIDANCE FOR COUNCILLORS AND OFFICERS

CODE OF CONDUCT FOR COUNCILLORS AND CO-OPTED MEMBERS

INTRODUCTION

1. The public is entitled to expect the highest standards of conduct from all Councillors and co-opted members of the County Council.
2. The Code sets out the standards of service that are expected from Councillors and co-opted members of the Council. In particular, Councillors and co-opted members should act in an open and transparent manner and should not do anything which would prejudice the reputation of the Council.
3. It is important Councillors and co-opted members understand their position as regards standards of conduct, and if in any doubt should seek guidance. This is because in some circumstances a breach of the Code could be a criminal offence and because any person could make a complaint to the Council if they believe a Councillor or co-opted member has breached the Code.
4. This Code is adopted in accordance with Section 27(2) of the Localism Act 2011. This Code is accompanied by a Councillors' Interests Protocol and a Procedure for Dealing with Conduct Allegations.

UNDERLYING PRINCIPLES

5. As a Councillor or co-opted member of the Council you must have regard to the following principles – selflessness, integrity, objectivity, accountability, openness, honesty and leadership – the seven 'Nolan Principles' of public life.
6. This Code applies when you are acting in your capacity as a Councillor or co-opted member. This includes attendance at formal committee meetings, acting as a formal representative of the Council, discharging your electoral division functions, meetings with County Council officers and site visits. Also all telephone calls, emails, letters and social media posts where it could be perceived that you are acting in your capacity as a Councillor or co-opted member.
7. It may sometimes be difficult to distinguish between whether you are acting in a public or private capacity, for example on social media and when attending public events. You are an ambassador for the County Council whenever you are in public, whether on social media or in person. You should bear in mind at all times and in all situations the obligations you have under this Code.

GENERAL CONDUCT

8. Accordingly, when acting in your capacity as a Councillor or co-opted member:
 - a) You must act solely in the public interest and should never improperly confer an advantage or disadvantage on any person or act to gain financial or other material benefits for yourself, your family, a friend or close associate;
 - b) You must not place yourself under a financial or other obligation to outside individuals or organisations that might seek to influence you in the performance of your official duties;

- c) When carrying out your public duties you must make all choices, such as making public appointments, awarding contracts or recommending individuals for rewards or benefits, on merit;
- d) You are accountable for your decisions to the public and you must co-operate fully with whatever scrutiny is appropriate to your office;
- e) You must be as open as possible about your decisions and actions and the decisions and actions of the Council and should be prepared to give reasons for those decisions and actions;
- f) You must declare any private interests, both pecuniary and non-pecuniary, that relate to your public duties and must take steps to resolve any conflicts arising in a way that protects the public interest, including registering and declaring interests in a manner conforming with the procedures set out in the box below;
- g) You must, when using or authorising the use by others of the resources of the Council, ensure that such resources are not used improperly for political purposes (including party political purposes) and you must have regard to any applicable Local Authority Code of Publicity made under the Local Government Act 1986;
- h) You must promote and support high standards of conduct when serving in your public post, in particular as characterised by the above requirements, by leadership and example, by respecting others and not bullying, intimidating or harassing any person, or behaving in an improper or offensive manner (including by using offensive language or making personal remarks about individuals), by respecting the confidentiality of information you receive, and by not conducting yourself in a manner which is likely to bring the authority into disrepute.

POLICIES, PROTOCOLS AND PROCEDURES

9. You must comply with the Council's adopted policies, protocols and procedures including:-

- a. Policies
 - i. Councillor Divisional Fund Policy and Guidance
 - ii. Equality and Diversity Policy
 - iii. ICT policies and Councillor's ICT Acceptable Use Guidance
 - iv. Information Management policies
 - v. Travel and Accommodation Policy
- b. Protocols
 - i. Councillor Interests Protocol
 - ii. Councillor Gifts and Hospitality Protocol
 - iii. Councillor Use of Resources Protocol
 - iv. Councillors' Social Media Protocol
 - v. Protocol for Councillor and Officer relationships
 - vi. Protocol for involvement in outside bodies

- c. Procedures/Schemes
 - i. Councillors' Allowances Scheme
 - ii. Disclosure and Barring Scheme checks procedure
 - iii. Procedure rules for meetings of Full Council and Committees

REGISTERING AND DECLARING PECUNIARY AND NON-PECUNIARY INTERESTS

10. You must, within 28 days of taking office as a Councillor or co-opted member, notify the Council's Monitoring Officer of any Disclosable Pecuniary Interest (we have set out the definition of a Disclosable Pecuniary Interest in the Councillor Interests Protocol which accompanies this Code), where the pecuniary interest is yours, or that of your spouse, civil partner, or a person you are cohabiting with. **Failure to do so is a criminal offence.** On re-election you must check, within 28 days, whether any amendment is needed to the information you provided previously. Again, **failure to do so is a criminal offence.**
11. You must declare any Disclosable Pecuniary Interests to any meeting of the Council at which you are present and have an interest in any matter being considered. **Failure to do so is a criminal offence.**
12. Following any disclosure at a meeting of a Disclosable Pecuniary Interest not already on the Council's register, you must notify the Monitoring Officer of the interest within 28 days of the date of disclosure. **Failure to do so is a criminal offence.**
13. Unless dispensation has been granted, you may not participate in any discussion of, vote on, or discharge any function in relation to any business in which you have a Disclosable Pecuniary Interest. **Failure to do so is a criminal offence.** Additionally, you are required to leave the room in which the meeting is being held whilst the matter is under consideration in accordance with the Council and Committee procedure rules.
14. In addition you must declare any Private Interests, both pecuniary and non-pecuniary, to any meeting of the Council at which you are present and have an interest in any matter being considered. You may still participate in the item under discussion and vote, although depending on the circumstances you may decide it would be more appropriate not to.
15. A Private Interest is where a decision in relation to that interest might reasonably be regarded as affecting the wellbeing or financial standing of you or a member of your family or a person you have a close association with, more than it would affect other people in your electoral division or the County Council's area. It may also include other positions held where relevant, for example membership of a board or association or being a school governor. In short, anything you think the public would expect to know about if, as a Councillor or co-opted member, you were involved in a matter relating to it.
16. Where you are concerned that the disclosure of an interest would lead to you or a person connected with you being subject to violence or intimidation, you

may request the Monitoring Officer to agree that the interest is a “sensitive interest”.

17. If the Monitoring Officer agrees, then at a meeting you merely have to disclose the existence of the sensitive interest rather than the detail of it. Where it is a Disclosable Pecuniary Interest, the Monitoring Officer will also exclude the detail of the sensitive interest from the Council’s publicly available version of the register. If circumstances change, you should notify the Monitoring Officer so that the public register can be amended accordingly.
18. The Council has adopted a Councillor Interests Protocol to accompany this Code of Conduct; Councillors and co-opted members should refer to it for further information and guidance.

OFFICER CODE OF CONDUCT

INTRODUCTION

1. The public is entitled to expect the highest standards of conduct from all officers of the County Council.
2. The Code sets out the standards of service that are expected from officers of the Council. In particular, officers should act in an open and transparent manner and should not do anything which would prejudice the reputation of the Council.
3. The Code should be read and operated in conjunction with the Council's Constitution and the Personnel Handbook. It is important officers understand their position as regards standards of conduct, and if in any doubt should seek guidance.

UNDERLYING PRINCIPLES

4. All officers of the Council must at all times observe this Code. Failure to comply with the Code and the standards of service expected could result in disciplinary action.
5. All officers must act within the law whilst undertaking their official duties. Where an officer is a member of a professional body, the officer must also comply with any standards of conduct which are set by that body.
6. Officers are expected to:
 - a. Provide the highest possible standard of service to the public. Where officers are aware of any contraventions of this Code, illegality, misconduct or breach of procedure they should notify their line manager;
 - b. Provide appropriate advice to Councillors and other officers with impartiality.
7. Officers must consult the Monitoring Officer and the Chief Finance Officer if they have doubts about the legality of a decision, or suspect maladministration or financial impropriety.
8. The Code does not seek to address every possible circumstance, and simply because a particular action may not be addressed within the Code, this does not condone that action by omission.

PERSONAL INTERESTS

9. Officers must declare to their Corporate Director any financial interests or non-financial interests which could or could be perceived to conflict with their role with the Council.
10. A record of any such interests will be maintained by the relevant Corporate Director.
11. Officers who have a direct or indirect financial interest in any contract must ensure that their Corporate Director is aware and should have no involvement with the award of or management of that contract.
12. If an officer is not sure about whether they have an interest, they should seek advice from the Monitoring Officer.

BRIBERY AND CORRUPTION

13. Officers must be aware that it is a serious criminal offence for them to receive or give any gift, loan, fee, reward or advantage for doing or not doing anything or showing favour or disfavour to any person in their official capacity as a result of any such gift, etc.
14. It should be stressed that this covers all aspects of an officer's responsibilities. For example, showing favouritism to a client in the provision of a service in return for a favour or gift would be corrupt. As would awarding a contract to a contractor as a direct result of receiving a gift.
15. In particular:
 - a. Officers should not accept a gift or hospitality from a contractor or other person outside the Council if they know or suspect that it is offered or provided with the expectation that a commercial or contractual advantage will be provided in return;
 - b. Officers should not accept a payment from a contractor or other person outside the Council if they know or suspect that it is offered or provided with the expectation that they will obtain a commercial or contractual advantage in return;
 - c. Officers should not give, promise to give, or offer a payment, gift or hospitality with the expectation or hope that a commercial or contractual advantage will be received, or to reward a commercial or contractual advantage already given.

WHAT TO DO IF YOU ARE OFFERED A GIFT

16. It is reasonable to accept a modest gift of a promotional character given to a wide range of people, and not uniquely to the officer, such as calendars, diaries, pens and other articles of use in the office or job. Modest gifts at the conclusion of any courtesy visit to a factory or firm of the sort normally given by that firm may also be accepted.
17. From time to time, officers may be offered other higher value or personal gifts. You need to consider why you have been offered the gift. If you are in doubt as to the motive behind the gift, you should seek advice from your Corporate Director as to whether it is appropriate to accept it. No gift worth over £25 should be accepted under any circumstances. Any gift offered, whether accepted or refused, should be recorded in the departmental gift and hospitality register.

WHAT TO DO IF YOU ARE OFFERED HOSPITALITY

18. Officers of the Council should only accept offers of hospitality if they are invited in their role as a Council representative. Offers to attend purely social or sporting functions should be accepted only when these are significant for Nottinghamshire, or where the Council should be seen to be represented. Acceptance of such invitations should be cleared in advance with the relevant Corporate Director, and should be recorded in the departmental gift and hospitality register.
19. When hospitality has to be declined, the third party offering the hospitality should be courteously but firmly informed of the procedures and standards operating within the Council. When receiving hospitality, officers should be particularly

sensitive as to its timing in relation to decisions which the Council may be taking affecting those providing the hospitality.

20. There may be circumstances where it will not always be possible, or even desirable, to reject offers of hospitality on a modest scale. Acceptable examples would include official hospitality at a function organised by a public authority; refreshments following a site visit; or a working lunch of a modest standard to enable the parties to continue to discuss business. The decision whether to accept or not must depend on the circumstances in each case. These circumstances will also determine whether the hospitality needs to be entered in the register of officers' interests. If in doubt officers should err on the side of caution and enter the appropriate details in the departmental register of officers' interests.

RECEIVING SPONSORSHIP OR GRANT AID

21. Officers must provide details to their Corporate Director of any benefit they (or their partner, spouse or relative) may be likely to receive as a result of any proposed Council sponsorship or grant aid.

USE OF PUBLIC FUNDS

22. Officers must ensure that they use public funds entrusted to them in a responsible and lawful manner. They should strive to ensure value for money to the local community and to avoid legal challenge to the Council.

POLITICAL NEUTRALITY

23. Officers serve the Council as a whole. It follows they must serve all Councillors and not just those of the majority group, and must ensure that the individual rights of all Councillors are respected.
24. Officers may be required to advise political groups. They must do so in ways which do not compromise their political neutrality.
25. Officers must follow Council policies and must not allow their own personal or political opinions to interfere with their work.

EQUALITY ISSUES

26. The Council believes in equality and will not tolerate any harassment, intimidation, unfair discrimination or victimisation, by officers.
27. The Council has a statutory duty to promote equality. Officers should not by their manner or speech be discriminatory with regards to a person's age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.
28. Each officer has a duty to ensure that the appropriate standards of conduct are upheld both by themselves and by colleagues at all times.

THE RELATIONSHIP BETWEEN OFFICERS AND COUNCILLORS

29. Officers should refer to the Protocol for Councillor/Officer Working Relations in Part Six of this Constitution.

THE RELATIONSHIP BETWEEN OFFICERS AND THE PUBLIC

30. Officers should always remember their responsibilities to the community of Nottinghamshire and ensure courteous, efficient and impartial service delivery to all groups and individuals they have dealings with.
31. Officers should be cautious when blogging or using social networking sites outside of work and avoid publishing, or allowing to be published, any material, including comments or images, which could damage their professional reputation and/or bring the Council into disrepute.

THE RELATIONSHIP BETWEEN OFFICERS AND CONTRACTORS

32. All relationships of a business or private nature with external contractors, or potential contractors, should be made known to an appropriate senior manager.
33. Officers must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.
34. Officers who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.
35. Further guidance on the procedures to follow during the tendering process is contained in the Financial Regulations in Part Six of this Constitution.

APPOINTMENT AND OTHER EMPLOYMENT MATTERS

36. Officers involved in appointments should ensure that these are made on the basis of merit.
37. In order to avoid any possible accusation of bias, officers wherever possible should not be involved in an appointment where they are related to an applicant, or have a

close personal relationship outside work with him or her. If they must be involved, then the relationship must be disclosed to all the parties.

38. Similarly, officers should not be involved in decisions relating to discipline, promotion or pay adjustments for any officer who is a relative, partner etc.

WORKING FOR OUTSIDE ORGANISATIONS

39. Officers working for outside organisations should refer to the Protocol for Involvement in Outside Bodies.

USE OF COUNCIL PREMISES OR FACILITIES FOR WORK NOT CONNECTED WITH THE COUNCIL

40. Officers must not use the Council's premises or facilities for activities which are not connected with their employment with the Council, for instance the use of email, telephones, computers, photocopiers, typists, etc. A small amount of personal use may be acceptable.

PUBLIC SPEAKING

41. Where officers are invited to address public meetings, undertake radio or television interviews etc, they will be acting as the representative of the Council, and as such should communicate the policies and procedures of the County Council in a factual and unbiased way. Officers must not express personal views in such situations.
42. If in a private capacity an officer is invited to comment publicly on Council policies, they should reflect upon the impact of this on the County Council's reputation and consider whether it is appropriate to comment.

OFFICERS FACING CRIMINAL CHARGES

43. Any officer facing criminal charges must inform their line manager without delay.

HEALTH AND SAFETY

44. It is the responsibility of all officers to take reasonable care for the health and safety of themselves and others.

DISCLOSURE OF INFORMATION

45. Officers must not disclose information given to them in confidence without consent, unless the circumstances are exceptional. In this situation, advice should be sought from their line manager.
46. Officers disclosing personal information must comply with the Data Protection Act.
47. Officers should not use confidential information obtained in the course of their employment with the Council for personal use, nor should they pass it on to others who might use it for unauthorised purposes.
48. Guidance about the information which Councillors and the public are entitled to is contained in Part Three of this Constitution.

PROTOCOL FOR COUNCILLOR AND OFFICER RELATIONSHIPS

INTRODUCTION

1. Mutual trust and respect between Councillors and employees is at the heart of good governance for councils. They are essential elements of the partnership necessary for the effective running of a local authority.
2. This protocol is a written guide to the basic elements of the relationships between Councillors and employees and seeks to:
 - a. promote trust, openness, fairness and honesty;
 - b. define roles to clarify responsibilities, avoid conflict, prevent duplication and secure compliance with the law and codes of conduct;
 - c. maintain and enhance the integrity of local government which demands the highest standards of personal conduct.
3. This protocol should be read and operated in conjunction with the Council's constitution, codes of conduct relating to Councillors and employees and relevant legislative requirements.
4. Unless the context otherwise requires, reference to a Councillor will include reference to a co-opted member.

UNDERLYING PRINCIPLES

5. Councillors and employees must at all times observe this protocol.
6. Councillors and employees must always respect the roles and duties of each other as set out below.

THE ROLE OF MEMBERS

7. It is the role of Councillors:
 - a. To represent the people within their communities and bring their views into the Council's decision making process through working individually or in partnership
 - b. To promote the interests of the people of Nottinghamshire when acting collectively as the Council's decision-makers
 - c. To promote the social, economic and environmental wellbeing of the community.
 - d. Collectively to agree the policy of the County Council
 - e. To deal with individual casework and act as an advocate for constituents in resolving concerns or complaints.
 - f. To balance different interests within their electoral division and represent the division as a whole.
 - g. To represent the Council on external bodies as required.

- h. To promote the highest standards of conduct and ethics.

THE ROLE OF OFFICERS

8. It is the role of officers:
 - a. To serve the community of Nottinghamshire and to deliver the highest standards of service in the most cost effective, efficient and professional manner.
 - b. To implement the policies and decisions made by Councillors.
 - c. To provide professional and technical advice.
 - d. To carry out the functions delegated to them, including the management of staff.
 - e. To provide help, support and advice to Councillors in respect of their duties and responsibilities
 - f. To report to Government departments, as required.
 - g. To represent the Council on external bodies as required.

THE RELATIONSHIP BETWEEN EMPLOYEES AND COUNCILLORS

9. The relationship between employees and Councillors should be characterised by mutual respect and courtesy and recognition of each other's roles and responsibilities.
10. Collaborative working between Councillors and employees is essential but close personal familiarity can lead to damaging assumptions by others. Councillors and employees should inform the Monitoring Officer of any relationship either personal or family, or business connection which might be seen as unduly influencing their work in their respective roles. The Monitoring Officer will consider what action, if any, should be taken.
11. With the exception of staff specially appointed to support political groups, employees work to the instructions of their managers not individual Councillors.
12. Councillors must not require employees to change their professional advice or take any action which the employee considers unlawful or illegal or which would amount to maladministration or breach of a statutory duty.
13. Councillors should not raise matters relating to the conduct or capability of a Council employee or of employees collectively at meetings held in public or in the press. Any concerns should be raised using the procedure set out at paragraph 25 below.
14. The advice provided and actions taken by employees should be sensitive to the political nature of the organisation, but their advice should always be independent and unbiased.

15. Members must consult with the Monitoring Officer and the Chief Finance Officer about legality, maladministration and financial impropriety and if they have doubts as to whether a particular decision is or is likely to be contrary to the policy framework or budget.
16. The Council has a statutory duty to positively promote equality. Councillors and employees should not by their manner, speech, or in any written communication, be discriminatory with regards to a person's age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

OFFICER RELATIONSHIPS WITH PARTY GROUPS

17. It must be recognised by all employees and Councillors that in discharging their duties employees serve the Council as a whole and not exclusively any political group, combination of groups or individual Councillors.
18. Employees may properly be called upon to provide advice and information to political groups but must at all times maintain political neutrality. All employees must, in their dealings with political groups and individual Councillors, treat them in a fair and even handed manner.
19. Employees must respect the confidentiality of any party group discussions at which they are present and unless they are requested to do so by that party group, must not relay the content of such discussions to another party group or to any other Councillor.
20. The only basis on which the Council can lawfully provide support services (eg stationery, typing, printing, photocopying) to Councillors is to assist them in discharging their role in their official capacity as Councillor. Such support services must therefore only be used for Council business. They must never be used for party political or campaigning activity or for private purposes.

EMPLOYEES TO KEEP COUNCILLORS INFORMED ABOUT LOCAL ISSUES

21. To enable them to carry out their divisional role effectively, Councillors need to be fully informed about matters affecting their division. Corporate Directors must ensure that their staff are aware of the requirement to keep local Councillors informed.
22. Whenever a public meeting is organised by the Council to consider a local issue it is recommended that all Councillors representing the divisions affected should be invited to attend the meeting.

MEDIA RELATIONS

23. All relations with the media must be conducted in accordance with the Council's agreed procedures and the law on Local Authority publicity.
24. Employees will make every effort to keep Councillors informed of media interest in Council activities relevant to their responsibilities and the electoral divisions they represent, especially regarding strategic or contentious matters.

COMPLAINTS/CONCERNS

PROCEDURE FOR COUNCILLORS

25. If a Councillor is dissatisfied with the conduct, behaviour or performance of an officer they should raise the matter privately with the relevant Corporate Director. If their concerns relate to a Corporate Director the concern should be raised with the Chief Executive. If the concerns relates to the Chief Executive then the concern should be raised with the Monitoring Officer and Service Director responsible for Human Resources.

PROCEDURE FOR EMPLOYEES

26. If an employee is unhappy with the conduct or behaviour of a Councillor they should seek to resolve the matter by appropriate discussion and involvement of their Corporate Director.

27. In the event that matters remain unresolved they should inform the Monitoring Officer who will consider what action should be taken.

SUMMARY

28. Councillors and employees can expect the following from each other:

- a. Respect and courtesy
- b. The highest standards of integrity
- c. A working partnership
- d. An understanding of and support for respective roles, work loads and pressures
- e. Confidentiality
- f. A commitment to the Council as a whole

29. In addition Councillors can expect from employees:

- a. Timely responses to enquiries
- b. Professional advice
- c. Regular up to date information

PROTOCOL FOR INVOLVEMENT IN OUTSIDE BODIES

1. The Council is committed to working with other local authorities, the private, voluntary and community sectors to deliver services in the most effective way. As a result Councillors and officers are often required to act as representatives on outside bodies. This document provides guidance for those acting as representatives.

APPOINTMENTS TO OUTSIDE BODIES

2. The Council's Policy Committee is responsible for deciding which organisations are included on the list of Outside Bodies and each committee will determine which outside bodies it should receive regular updates from.

SUPPORT FOR REPRESENTATIVES ON OUTSIDE BODIES

3. The Council will provide indemnity insurance in appropriate circumstances.
4. The Council will make every effort to maintain a fact sheet on each outside body, stating the purpose of representation, the responsibilities of Council representatives on those bodies, and the insurance position.
5. The Council has produced guidance regarding representatives' specific responsibilities when sitting on different types of bodies, such as limited and local authority companies, statutory bodies and charities. Further support is available from Democratic Services.

RESPONSIBILITIES OF COUNTY COUNCIL REPRESENTATIVES ON OUTSIDE BODIES

6. Representatives must ensure they understand the capacity in which they are appointed to the outside body. This is important for two reasons:
 - a. The terms of appointment could mean that the individual takes on formal responsibilities, such as those of a company director or charitable trustee, and in some cases, personal liability. Representatives need to understand the extent of their role and be satisfied that appropriate indemnity insurance cover is provided either by the Council or the outside body.
 - b. In some instances the primary purpose is to represent the interests of the County Council, and in some the main duty is to the outside body. This may affect the considerations that are taken into account when contributing to the outside body's decision-making. Also, it is possible that a conflict of interest will arise between the Council and the outside body, for example where there is a disagreement over a funding issue. In the event this happens the representative must be clear in whose interests they are acting. If a conflict does arise the representative must seek advice from the Council's Monitoring Officer.
7. Representatives must follow the Council's Code of Conduct for Councillors and Co-opted Members or the Code of Conduct for Officers when they are acting in that capacity, including where they are representing the Council on an outside body. They must also ensure they follow any separate code of conduct that applies to the outside body. In the unlikely event there is a conflict they must seek advice from the Council's Monitoring Officer.
8. Representatives should always consider their duty of confidentiality to the Council, and where appropriate, to the outside body.

9. Representatives must report back to the relevant County Council committee as required.
10. It is good practice to check when first appointed whether expenses for travel and/or subsistence should be claimed from the County Council or the outside body.

PART C – EMPLOYMENT PROCEDURE RULES

INTRODUCTION

1. The Council has developed these regulations in order to outline the process to be followed when appointing or dismissing employees or taking disciplinary action against employees.

11. A final decision in respect of the appointment of the Head of Paid Service, Chief Finance Officer and Monitoring Officer rests with Full Council.
12. Where a reorganisation affects the structure/numbers of Senior Employee posts, posts in the new structure will be filled in line with the enabling process agreed at the time. Any competitive interviews will be carried out by the Senior Staffing Sub-Committee in accordance with the enabling process.

DISMISSALS AND DISCIPLINARY ACTION

13. In the case of dismissals, the Senior Staffing Sub-Committee will hear the case against the Senior Employee concerned and the hearing will be conducted in accordance with the Council's Disciplinary Procedure.
14. A final decision in respect of the dismissal of the Head of Paid Service, the Chief Finance Officer and the Monitoring Officer rests with full Council. Full Council will approve such dismissal before the notice of dismissal is issued.
15. The Senior Employee (unless the employee is the Head of Paid Service, the Chief Finance Officer or the Monitoring Officer) will have a right of appeal in accordance with the appeals process set out in the Personnel Handbook.
16. In the case of the Head of Paid Service, the Chief Finance Officer and the Monitoring Officer, no disciplinary action may be taken until the advice, views or recommendations of an independent panel are considered. The neutral act of suspension for the purpose of investigating the alleged misconduct can be made by:
 - a. the Monitoring Officer in relation to the Head of Paid Service; or

in consultation with the Council Leader and Chairman of the Personnel Committee and any suspension will be on full pay and for a period of no longer than two months.

employment policy and procedures agreed by the Council and in compliance with statutory obligations.

EMPLOYMENT POLICIES AND PROCEDURES

19. The Council recognises national collective bargaining and acknowledges the role of national negotiating bodies in agreeing a framework of terms and conditions for local government employees.
20. Regular information will be provided to committees as and when required and requested regarding staffing.
21. The Council will develop and amend employment policies as required.
22. Proposals for new initiatives, for changes to existing employment policies and the development of management guidance will be developed by Personnel Committee.
23. Proposals for new employment policies or changes to existing policies will be subject to consultation and negotiation with the recognised trade unions through the agreed mechanisms as set out in the Employment Relations Agreement as amended from time to time. Following consultation changes to existing employment policies and new policy matters will be considered by Personnel Committee and recommended to Policy Committee for approval.
24. Details of approved employment policies and procedures and any changes will be set out in the Personnel Handbook, policy documents or guidelines as appropriate.
25. The Council will recommend that community schools adopt the Council's approved employment policies and procedures; however the adoption or otherwise of such policies will be a matter for the school governing body, if such responsibility rests with them.

CHANGES TO STAFFING STRUCTURES

26. Changes to staffing structures must be made by the relevant committees unless the post is temporary for less than 3 months. In such cases, the relevant Corporate Director can authorise the appointment (provided that, if the requirement for the temporary appointment continues after this time, the relevant committee's approval will be required).
27. A formal report will need to be presented to the relevant committee and will include the required advice and HR comments.
28. The recognised trade unions will be consulted on all proposed changes to staffing structures and any views given should be fully considered prior to a decision being made.

CHANGES TO STAFFING AND STRUCTURE RECORDS

29. The Business Services Centre (BSC) will maintain staffing and structure records. The Chief Executive and his/her nominees must ensure that any changes to the staffing structures within their departments are notified to the BSC immediately after authorisation via the established procedures.

PAY AND GRADINGS

30. Full Council will approve the Council's annual Pay Policy Statement.

31. For posts occupied by staff employed under the NJC for Local Government Services Agreement, the initial grading and any subsequent re-grading will be determined by the application of either the NJC or Hay Job Evaluation Schemes.
32. The re-grading of existing posts following evaluation using the Hay or National Job Evaluation Schemes will be automatically incorporated into contracts of employment.
33. The grading of new posts needs to be detailed in the reports to the relevant Committee regarding establishing those posts.
34. The re-grading of posts for those employee groups where job evaluation is not applied will require authorisation by the relevant Corporate Director (or their nominee) and will be reported back periodically to the relevant Committee for information.
35. With the exception of honoraria and market factor supplement payments that have been considered through the approved process set out in the Personnel Handbook, there is no discretion to apply extensions of pay above or outside of authorised pay bands. All honoraria and market supplement payments will be reported back to the relevant Committee periodically.
36. As a result of national collective bargaining, the Council will implement national pay awards as agreed by the various national joint negotiating bodies from time to time. The Council will determine a local pay structure comprising a number of salary bands, based on the National Pay Spine, extended as appropriate.
