

WORK PROGRAMME

Purpose of the Report

1. To give Members an opportunity to consider the work programme for the Panel and to suggest further topics for inclusion (see appendix).
2. To seek approval for a development session for Members on 16 September 2013.

Information and Advice

3. The work programme is intended to assist with the Panel's agenda management and forward planning. The draft programme will be updated and reviewed regularly in conjunction with the Chairman and Vice-Chairman of the Panel.
4. At the informal meeting of the Panel held on 7 June 2013, Members agreed that a development session should be arranged to assist new Members in understanding the roles and responsibilities of the Panel and to enable all Members to reflect further on the strategic direction and focus of the Panel. Frontline Consulting have offered a trainer who has successfully undertaken similar sessions with other Panels nationally, although alternative providers will also be explored.
5. Members proposed that this session take place on the morning of 16 September 2013, ahead of the Panel meeting scheduled for that afternoon.

Other Options Considered

6. All Members of the Panel are able to suggest items for possible inclusion in the work programme.
7. The Work Programme has been updated following discussions around the Commissioner's update report at the last meeting. The regular standing items and statutory requirements have also been scheduled into the proposed meeting timetable.
8. To arrange separate individual development sessions for new Members but this would prevent the Panel from having wider discussions about its direction and focus.

Reasons for Recommendation/s

9. To enable the work programme and the schedule of Panel meetings to be developed further.
10. To agree a development session for Panel Members.

RECOMMENDATION/S

- 1) That the work programme be noted.
- 2) That Members suggest any further topics for possible inclusion in the work programme.
- 3) That a development session be arranged for all Panel Members on the morning of 16 September 2013, ahead of the Panel meeting that afternoon.

Background Papers and Published Documents

- 1) Minutes of the previous meeting of the Panel (published).
