Appendix A – Proposed All Age SM Service Model

This approach would not be unique to Nottinghamshire, other Local Authorities (LA) in the East Midlands that have one service working across YP and adults include Leicester, Leicestershire and Rutland and Lincolnshire. Similar approaches have been in place other LA for four years or more e.g. Plymouth and Somerset.

Meaningful and healthy community Community Recovery Groups and social activities (Mutual Aid/Peer Support) Ρ R Ε Recovery Service - Countywide RECOVERY FOCUS: ٧ Self Meaningful activities (including education training and support) Referral Facilitated access to Self Help & Mutual Aid Ε Achievem en Improved Mental Health and Wellbeing of recovery Ν Peer Support goals Other Т referral Young People and Family member support TREATMENT/CLINICAL FOCUS o Psychosocial interventions Pharmacological interventions N Harm reduction interventions Community outreach Support to re-engage Family member support

Aspiring for a all age system that empowers individuals to achieve and sustain abstinence
