

18 June 2013**Agenda Item: 9****REPORT OF CORPORATE DIRECTOR POLICY, PLANNING AND
CORPORATE SERVICES****WORK PROGRAMME****Purpose of the Report**

1. To consider the Committee's work programme for 2013.

Information and Advice

2. A work programme has been established for Planning and Licensing Committee to help in the scheduling of the committee's business and forward planning. It aims to give indicative timescales as to when applications are likely to come to Committee. It also highlights future applications for which it is not possible to give a likely timescale at this stage.
3. Members will be aware that issues arising during the planning application process can significantly impact upon targeted Committee dates. Hence the work programme work will be updated and reviewed at each pre-agenda meeting and will be submitted to each Committee meeting for information.

Other Options Considered

4. To continue with existing scheduling arrangements but this would prevent all Members of the Committee from being fully informed about projected timescales of future business.

Reason/s for Recommendation/s

5. To keep Members of the Committee informed about future business of the Committee.

Statutory and Policy Implications

6. This report has been compiled after consideration of implications in respect of finance, the public sector equality duty, human resources, crime and disorder, human rights, the safeguarding of children, sustainability and the environment and those using the service and where such implications are material they are described below. Appropriate consultation has been undertaken and advice sought on these issues as required.

RECOMMENDATION

That the committee's work programme be noted.
