

Outside bodies to be deleted

- Arts Partnership Nottinghamshire – no longer in operation, therefore no representative required
- East Midlands European Office (EMEO) Stakeholder Group – the office has closed due to budget reductions, therefore representative no longer required
- Joint Executive Group – North Notts and North Derbyshire ERDF Priority Axis 2 Group – the programme ended in 2013, therefore representative no longer required
- LSP: Gedling Local Strategic Partnership – no longer exists, therefore representative no longer required
- Mansfield & District Area Committee for the Welfare of Physically Disabled People – no longer exists, therefore representative no longer required
- Mansfield i-Centre – the Board no longer exists, therefore representative no longer required
- Manton Community Alliance – no longer exists, therefore representative no longer required
- Newark Business Innovation Board (Newark Beacon) – the Board no longer exists, therefore representative no longer required
- Newark & Sherwood Energy Agency Board – the Board was formally dissolved with effect from 3.12.2012, therefore representative no longer required
- Nottinghamshire Learning Centre Management Board – following legislation these establishments are registered with the Department of Education as schools. Therefore County Council appointments to these management committees fall within procedures for appointing Local Authority governors as for school governing bodies.
- Sheffield City Region Transport Joint Issues Board (JIB) – no longer exists, therefore representative no longer required
- Sherwood Forest Trust – the Trusts constitution has been revised and the Trust board make their own appointments
- University of Nottingham Court – dissolved as a result of changes to the Charter and Statutes of the University, approved by the Privy Council
