

Meeting:	<b>JOINT COMMITTEE ON STRATEGIC PLANNING AND TRANSPORT</b>
Date:	14 December 2018
From:	Joint Officer Steering Group

ITEM: 6

## **NOTTINGHAMSHIRE MINERALS LOCAL PLAN and NOTTINGHAMSHIRE AND NOTTINGHAM WASTE LOCAL PLAN UPDATES**

### **1 SUMMARY**

1.1 This report informs committee of progress with preparing:

- The Nottinghamshire Minerals Local Plan.
- The Nottinghamshire and Nottingham Waste Local Plan;

### **2 BACKGROUND**

#### *Minerals*

- 2.1 The County Council is preparing a revised Minerals Local Plan. It will cover the County area (policies for the City are included in its Land and Planning Policies document - Part 2 Local Plan).
- 2.2 Several stages of consultation have been completed in preparing the Plan, including an Issues and Options stage which took place between 20 November 2017 and 14 January 2018 and consultation on a Draft Minerals Plan document which took place between 27 July and 28 September 2018. The Joint Committee received a presentation on the Plan at
- 2.3 There were 1180 individual responses to the Draft Plan received during the consultation period. At the time of preparing this report, officers are assessing the feedback which will inform the ongoing development of the Plan. All representations submitted will be available to view online, once the high number of postal representations received have been processed to an electronic format. Officers will report further at the meeting to summarise the main issues arising.
- 2.4 A revised version of the Minerals Local Plan is expected to be prepared in early 2019.

## Waste

- 2.5 The County and City Councils have agreed to prepare a single Joint Waste Local Plan to replace the Waste Core Strategy, adopted by both Councils in December 2013. The proposed Plan will provide updated strategic planning policies for the development of future waste management facilities, set out detailed development management policies and where necessary, identify specific sites appropriate for waste treatment and disposal.
- 2.6 It is envisaged that there will be initial consultation on the new Local Plan in 2019, with final preparation in 2020 and adoption in 2021 as set out in both Councils Local Development Schemes.
- 2.7 Officers of both Councils have recently met to discuss the scope and timetable for work on the Plan and work is commencing to provide updated monitoring information, carry out research on waste movements from and to Nottinghamshire and prepare a more detailed work programme. Officers will meet again in January and a further report will be made to the March meeting. The Joint Committee has set up a Joint Councillor Working Group to help oversee development of the Joint Waste Plan and consideration is being given to when it should initially meet.
- 2.8 Until the new Plan is in place, planning applications will be determined against the adopted Joint Core Strategy 2013, alongside key policies from the existing Waste Local Plan (Jan 2002) which have been saved.

### **3 RECOMMENDATION(S)**

- 3.1 It is recommended that the Joint Committee note the contents of this report.

### **4 BACKGROUND PAPERS REFERRED TO IN COMPILING THIS REPORT**

- 4.1 None.
