REPORT OF THE HEAD OF MEMBERS' SERVICES

APPOINTMENTS TO OUTSIDE BODIES

Purpose of Report

To report details of the Council's current external commitments and seek fresh appointments, or deletion of the organisations from the list, as appropriate.

Background

The County Council makes a large number of appointments/nominations to a range of external organisations. Responsibility for those appointments, where they are in connection with County Council functions rather than those of the Cabinet, rests with this Committee.

Details of the Council's current appointments are shown in the appendix to this report (please note that there are no even-numbered pages). The Committee is asked to consider whether any changes are necessary to the County Council's representation, and make appointments where necessary following the County Council elections.

The following background information is offered to assist the Committee.

- 1) Organisations shown underlined are those where a recent appointment has been made following the full Council's decision on 19th May 2005, and it will not therefore be necessary to take any action.
- 2) In the case of appointments/nominations of trustees, directors and board members, the Committee may not change the appointment unless the appointee first resigns, or, there is a requirement for the person nominated to be a serving councillor and he/she was not re-elected at the last election.

RECOMMENDATION

That consideration be given to the County Council's representation on the organisations listed in the Appendix.
