Comments of the Executive Head of Democratic and Legal Services

The Constitution provides various mechanisms by which decisions required to be taken, as matter of urgency can be certified as urgent and the decisions taken and implemented.

The Constitution specifically provides at paragraph 4 .4 of the Budget and Policy Framework Procedure Rules and at paragraph 17.3 of the Overview and Scrutiny Procedure Rules that decisions certified as urgent are reported to the next available meeting of the Council.

The information provided in this report is presented to Council meeting in compliance with the constitutional requirement for reporting urgent decisions taken since the date of the last Council meeting.
