		<p>health champions have been trained in the nationally accredited RSPH level 2 Health Trainer Training.</p> <ul style="list-style-type: none"> • Up to 150 have undertaken 'Motivational interviewing Training', • 20 have received Mindfulness training (linked to the wider district work around the 'Take Five' theme) • 90 have received 'Basic Counselling Skills Training' (linked to supporting the wider district mental health and well-being agenda). • A large network has been developed to ensure sharing of information and best practice • The Bassetlaw workplaces have also supported the GGC Working Voices initiative, with 4 of the five original workplaces joining the scheme and now inputting their say into the shaping of local health services. 	<p>include the first 2 platinum awards for Bassetlaw workplaces who came over to the county model. Future local schools engagement planned</p> <p>District level roll-out has commenced.</p>	<p>trainer for RSPH was delivered March 16</p> <p>-Currently analysing year one lifestyle data; report to be developed to show findings.</p>

3. Embed Public Health leadership and oversight

Item	Status	Q1 and Q2 activity report	Q3 activity report	Q4 activity report
3.1 Meet the statutory obligations of Public Health, including publishing the Director's annual report to highlight	GREEN	JSNA refresh for diet, physical activity and excess weight underway.	DPH Annual Report completed and approved by PH Committee, Nov 2015.	JSNA topic review has begun. The process aims to ensure the JSNA reflects current priorities.

Item	Status	Q1 and Q2 activity report	Q3 activity report	Q4 activity report
<p>areas of public health that require particular focus and attention, refreshing the JSNA, and publishing the Health and Wellbeing Strategy.</p>			<p>JSNA refresh for excess weight, physical activity and diet/nutrition has been completed and approved by HWIG on 10th December.</p> <p>JSNA refresh for loneliness completed and sent out for consultation.</p>	<p>Work to improve engagement and involvement of the voluntary and community sector in the JSNA has begun with events held to identify key areas the sector can help support. This will be followed with task and finish groups over the coming months.</p> <p>Nottinghamshire Insight has been revised making it easier to navigate, including the JSNA pages.</p> <p>JSNA topics on loneliness and suicide prevention have been completed and submitted to HWIG for approval in April.</p> <p>There are 14 JSNA topic refreshes in progress including substance misuse.</p>
<p>3.2 In accordance with the agreed Memorandum of Understanding, provide Public Health advice and support to CCGs across all three of the planning localities in Nottinghamshire (Bassetlaw, Mid Notts, and South Notts), building on previous achievements to influence commissioning and promote preventive health services.</p>	GREEN	<p>Public Health support provided to Mid-Notts Transformation Programme, completion of HIA of the programme. Leading development of women and children's workstream. Risk to achievement of KPI (paediatrics).</p>	<ul style="list-style-type: none"> • Further development of Mid-Notts women and children's workstream, addressing KPIs and system-wide transformation. • South Notts transformation population group work commenced October/November 2015, to develop new models of care. 	<p>As part of changed planning footprint and input to Sustainability and Transformation Plan, models of care covering sub-population groups of CYP developed, to be agreed, national review of Maternity Services published in March 2016, will inform development of local maternity services in Nottinghamshire.</p>

Item	Status	Q1 and Q2 activity report	Q3 activity report	Q4 activity report
3.3 Ensure that the health response to emergencies is planned and co-ordinated, maintaining strong working relationships with the emergency planning function of the Council, and also addressing Public Health responses to emerging environmental issues, such as fracking.	GREEN	Establish links with PHE environmental science specialists regarding national work on fracking	Options paper was developed to support decision about the value and role of health impact assessment in regard to possible application(s) for fracking.	Workstream to be picked up in activities under 4.2 below.

4. Develop and make maximum use of Public Health skills within the Council

Item	Status	Q1 and Q2 activity report	Q3 activity report	Q4 activity report
4.1 Embed and widen the use of Public Health principles in the commissioning and delivery of Council services to improve Public Health outcomes.	GREEN	<p>Realignment project established for 2015/16 and quarterly monitoring schedule in place.</p> <p>Undertook review of effectiveness of realignment lines in delivering Public Health outcomes in light of budget restrictions, September 2015.</p>	Realignment monitoring conducted to end Q2 with report on progress, including identification of savings, to Public Health Committee, 21 Jan 2016.	<p>Continued to monitor use of realignment funds for contribution to PH outcomes.</p> <p>Realignment monitoring in 2016/17 has been planned to be in line with other Public Health-commissioned activity.</p>
4.2 Provide specialist Public Health advice and input into Health Impact Assessments on service provision and spatial planning.	GREEN	<p>Mid-Notts Better Together Programme – HIA completed (not council) HWB Board workshop scheduled for October 1st.</p> <p>Public health response provided to planning applications for large developments.</p>	Nottinghamshire Health and Wellbeing Stakeholder 'Planning and health' event run by the Town & County Planning Association took place on 1 st October. Event promoted in a national document to be published in the next month. Attended Nottinghamshire Planning Policy Officers and	Spatial planning and health document has been written, in which all districts will be encouraged to sign up to. It is to go to the HWB in May for sign off and then for districts to endorse and sign up to.

Item	Status	Q1 and Q2 activity report	Q3 activity report	Q4 activity report
			Development Management Officers Groups to discuss way forward. Have internal support from NCC Planning Department to progress work in the next quarter. Worked with Mansfield DC to undertake a Health Impact Assessment of the Mansfield Plan – learning from this to support work moving forwards	
4.3 Maintain the Council's accreditation as a training location for Public Health registrars and Foundation Year doctors	GREEN	PH continues to meet accreditation requirements as training location. 4 Registrars and 2 FY doctors on placement during Q1 and Q2, plus NHS Management Trainee 8-week placement.	Three PH registrars on placement in phase 1 of their specialist training program and one FY2 doctor during Q3.	Three PH registrars and 1 FY2 on placement during Q4.
4.4 Implement the NCC Public Health staff workforce development plan, as part of a commitment to staff development which also includes continuing professional development, personal appraisal, and seeking to spread Public Health skills across the wider Council.	GREEN	Workforce development plan signed off by SLT in May 2015. Implementation actions during Q1 and Q2: <ul style="list-style-type: none"> • CPD programme planned for 2015/16 • Health and Social Care Journal Club programme planned for 2015/16 • Information provided to staff on mandatory training requirements • Monitoring of mandatory training compliance • Exploration of professional registration revalidation requirements 	Plan adjusted to take account of feedback from staff survey undertaken in May 2015. Institution of routine monitoring and evaluation for training attendance, to inform future training attendance.	Implementation actions during Q4: <ul style="list-style-type: none"> • CPD and Journal Club events held. • Refresher information governance training requirement highlighted. Compliance is being monitored. • Revalidation of registrations – staff attended information events run by PHE. <p>Information was provided to staff on a new opportunity in the East Midlands for qualifying staff to join the Register for Public Health practitioners.</p>
4.5 Review Public Health structures and responsibilities and	AMBER	Department event held 16 July 2015 to give initial information to staff.	Job descriptions for all posts in new structure were drawn up. Job evaluations were undertaken.	Restructure proposals were published 18 January 2016. Consultation closed mid-

Item	Status	Q1 and Q2 activity report	Q3 activity report	Q4 activity report
agree a new structure in line with Redefining Your Council		Senior structure agreed as part of RYC interim Council structure by Policy Committee in July 2015. Transfer of Public Health to ASCH&PP, September 2015		February. As a result of the many consultation responses, the implementation of the restructure has been delayed to 2016/17, to allow additional time for all the consultation responses to be considered.
