

QUESTION TO THE CHAIRMAN OF CHILDREN AND YOUNG PEOPLE'S COMMITTEE

Can the Chairman please update this Council on the review of Children's Centre premises following the debate in this week's committee?

Councillor Jason Zadrozny

RESPONSE FROM THE CHAIRMAN OF THE CHILDREN & YOUNG PEOPLE'S COMMITTEE, COUNCILLOR PHILIP OWEN

Thank you for your question, Councillor Zadrozny.

We have promised to review all of the buildings that we are using for delivering Children's Centre Services to ensure that they meet local community need and provide good value for money for the council taxpayer.

We will be commencing that process over the coming months and will involve local Elected Members and service users in discussion about any proposed changes.

We will continue to have delivery of services countywide.

Thank you, Chairman.

Councillor Philip Owen
Chairman of the Children & Young People's Committee
