Dear Councillor Saddington

The CCG wishes to inform Nottinghamshire County Council Health Scrutiny Committee that, in line with s.23(3) of the Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 made under s.244 NHS Act 2006 (as amended), the current temporary overnight closure of Newark Hospital's Urgent Treatment Centre will continue for a further 12 months to end of June 2023. The CCG has not consulted the Committee on this continuation of the temporary overnight closure because it is not possible to safely staff the Urgent Treatment Centre overnight and so there is no alternative to the continuation of the temporary closure.

Yours sincerely

Lucy Dadge
