

Committee Work Programme

<u>Date to Committee</u>	<u>Reference</u>	<u>Location</u>	<u>Brief Description</u>
19 th July 2016	FR3/3495	King Edward Primary School, St Andrews Street, Mansfield	Construction of new 8-class single storey freestanding building including hall and ancillary spaces. Construction of sprinkler tank compound; new 3.2m high timber enclosure and 2.4m high security fence to boundary; 2 new 5-a-side grass pitches; enlarge staff car park, retaining walls, new footpaths, steps, ramp and macadam hard play areas. Demolition of section of existing masonry wall and ramp. Construction of new timber screen to staff car park and associated re-grading and external works. Change of use of former railway land to school use (Class D1) and crossing works and upgrades to highway.
19 th July 2016	7/2012/1493 & 4/V2012/0570	Newstead and Annesley Country Park, Newstead Village	Improvement works to the country park involving the remodelling and partial in-filling of lake 2 for development as a fishery, and wider landscape improvement works and path upgrades, in total requiring the importation of circa 17,000m ³ of inert materials and soils.
19 th July 2016	3/16/00876/CMA	Stud Farm, Rufford	Construction of a digestate storage lagoon for an Anaerobic Digestion Plant.
20 th September 2016	MRA/3516	Marblaegis Mine, Gotham Road, East Leake	To vary condition 2 of planning permission 8/00/01321/CMA to extend the operation of the mine until 22 February 2042
20 th September 2016	MRA/3517	Marblaegis Mine, Gotham Road, East Leake	To vary condition 4 of planning permission 8/11/01544/CMA to extend the operation of the mine until 22/02/2042
Expected to be reported to a stand-alone committee in September (Date to be confirmed)	1/15/01498/CDI	Land off Springs Road, Misson	To develop a hydrocarbon wellsite and drill up to two exploratory hydrocarbon wells (one vertically and one horizontally) by use of a drilling rig together with associated ancillary works. The proposed development will be carried out in four phases: Phase 1 - Wellsite construction; Phase 2 - Drilling of up to two exploratory wells for hydrocarbons including potential shale gas (the first one vertical and the second one horizontal); Phase 3 - Suspension of wells and assessment of drilling results; Phase 4 - Site decommissioning, well abandonment and restoration.

Planning Applications currently being considered by NCC which currently have not been timetabled to a committee meeting.

- Planning App.: 4/V/2015/0781
Location: Embankment to the north-east of the railway bridge over Fackley Road, Teversal
Development: Construction of new path and steps to form a new access to the Ashfield Bolsover Trail
- Planning App: ES/3524
Location: Land off A634, Between Blyth and Barnby Moor, Near Retford.
Development: The exploratory well would be a vertical multi-core well to target the Bowland Shale and Millstone Grit geological formations to assist with the assessment of the shale gas basin in the area. In addition, three sets (with each set containing up to 3 boreholes) of monitoring boreholes would be installed to sample and monitor groundwater and ground gas during the drilling of the exploration well. The proposed development would involve permission for the security cabins already on the site, together with the construction work associated with the development of the well site, the drilling (using a drill rig of a maximum height of 60m) and evaluation of the well and monitoring boreholes and then the decommissioning and restoration of the site back to agricultural use. The development would be for a proposed three year period.
- Planning App: 5/13/00070/CM
Location: Shilo Park, Shilo Way, Cossall
Development: Change of use to waste timber recycling centre including the demolition of existing building and construction of new buildings.
