Report of the Chair of the Joint Health Scrutiny Committee

NOTTINGHAM UNIVERSITY HOSPITALS TRUST – PAEDIATRICS

Purpose

1. To provide Members with the opportunity to consider variations and developments to the Paediatric service provided by Nottingham University Hospitals Trust.

Background

2. At the meeting on 13 June 2006 Members requested that detailed plans for variations and developments at the hospitals resulting from the merger and/or as part of the Trust's development plan should be brought to the Joint Committee.
3. The Nottingham University Hospitals NHS Trust has requested the opportunity to discuss proposals for variations and developments to the Paediatrics service. Representatives of the Trust have been invited to attend the meeting.
4. Paediatrics is the branch of medicine that deals with the medical care of infants, children and adolescents.

RECOMMENDATIONS

It is recommended that:

Members consider the information provided at the meeting and agree any necessary further action.
