Dear Chair,

Re: Notice under Schedule 1, paragraph 9 to the Police Reform and Social Responsibility Act 2011 – Proposed appointment of a Deputy Police and Crime Commissioner for Nottinghamshire

Please accept this letter as notice to the Police and Crime Panel under Schedule 1, paragraph 9 of the 2011 Act of my proposal to appoint a Deputy Police and Crime Commissioner (Deputy PCC) for Nottinghamshire permissible under section 18(1) of the 2011 Act.

As you are aware, Schedule 1 of the 2011 Act now requires the Panel to hold a confirmation hearing for this proposed appointment and, in anticipation of that hearing, and to comply with the notice requirements, I set out below and attached the following information:

1. the name of the person I am proposing to appoint is Angela Kandola;
2. a description of the role of Deputy Police and Crime Commissioner for Nottinghamshire is attached at Annex A to this letter;
3. a suitability statement is attached at Annex B to this letter, explaining why the candidate is suitable for appointment given the responsibilities of the role set out at Annex A (a separate Curriculum Vitae has been submitted by the candidate in support of her suitability and we understand this will appear at Appendix 2 to the Panel's cover report); and

4. a draft statement of particulars of employment (the terms and conditions on which the candidate is to be appointed) is attached at Annex C to this letter.

This formal notice follows dialogue between my office and the Panel's supporting officers since July. Panel members will recall that I originally submitted a proposal to appoint the same Deputy PCC on 26 July 2024. A Panel confirmation hearing was arranged for 6 August 2024, but I had to ask for a short postponement of that date on the day of the confirmation hearing, with apologies to Panel members. For a role like this, there are due diligence checks that need to be carried out and can take time to complete. Due diligence has taken slightly longer than expected so we asked for a postponement of the hearing to ensure it could be fully completed.

I am delighted that all the checks have now been completed and I can confidently put Angela forward for this role. I understand a confirmation hearing can be accommodated for this re-presented proposal on the day the Panel is next meeting – 16 September.

Please let my Chief Executive know if you require any further information.

Yours sincerely

Gary Godden
