IMPROVEMENT****INTERNAL AUDIT CHARTER REFRESH****Purpose of the Report**

1. To review and approve an updated version of the Internal Audit Charter.

Information

2. The charter is a formal document defining the Internal Audit Section's purpose, authority and responsibility. It establishes the Section's position within the Council, including the nature of the Interim Chief Internal Auditor's functional reporting relationship with the Governance & Ethics Committee. It authorises access to records, personnel and physical properties relevant to the performance of audit engagements, and it defines the scope of Internal Audit's activities. Final approval of the charter rests with the Governance & Ethics Committee.
3. The charter should be reviewed periodically, to ensure it remains relevant and up to date; it was last updated in December 2021. Mostly minor changes are proposed in this update, to reflect changes in job titles, team names and distribution of reports.
4. The revised charter is attached as Appendix 1. It may also provide further assistance to the members of the Governance & Ethics Committee in understanding the role of Internal Audit in the Council.
