

Ref	Theme	Bid Name	Description of proposal	Which Nottinghamshire residents will benefit from this project ?	Cost 1 year £ 000s
1	Supporting integration and partnership working	Partnerships Programme Manager Post	Work with partner agencies to implement a revised BCF Programme of transformational change which enables the NHS, social care and district councils to provide services in ways that are not being addressed by other initiatives. Work with joint commissioners in CCGs to explore the opportunities for joint commissioning across health and ASCPH. Manage the staff within the Partnerships Team.	All residents who have both health and social care needs, where services need to operate seamlessly together	40
2	Managing social care demand	Temp BSO to support recruitment & retention initiatives.	Temporary Business Support Officer post to support Recruitment and Retention initiatives for front line roles in social care. Agreed to use BCF reserve to fund the 3 m extension of this post until the BSO review is completed. We want the post to be funded recurrently within the Departmental budget.	All residents who need support and service from ASCH front line staff	10
3	Supporting the NHS to manage pressures and managing social care demand	Dementia Advance Care Planning and Support.	Using a co-production approach, implement a standardised countywide package for people living with dementia and their carers to engage with advance care planning, map dementia pathways and make recommendations for improvement.	All residents who have dementia and their carers	49
