**2 MATTERS FOR CONSIDERATION**

The Committee are requested to:-

- a) consider the appendix to this report; and
- b) agree the work programme for the remainder of the Municipal Year

**3 BACKGROUND INFORMATION**

3.1 The Joint City and County Health Scrutiny Committee is responsible for scrutinising decisions made by NHS organisations, together with other issues, which impact upon the conurbation of Nottingham. Much of the Committee's work is focused on major projects being carried out by Trusts within the conurbation. Therefore the Chief Executives of the Trusts were invited to discuss with Members major projects in which the Committee may be interested in order to help them plan their work for the year.

3.2 Several items of work were undertaken during the last Municipal Year which Members requested should return to the Committee this year. A number of items were also included following discussions with the Chief Executive of Nottinghamshire Healthcare Trust and the Chief Executive of Nottingham University Hospitals Trust at the July and September meetings of this Committee. The work programme is attached as appendix A.
