

APPENDIX ONE

RESOLVED CRIME AND DISORDER MOTION TO FULL COUNCIL, 30 MARCH 2023

On 27 February 2023, it was reported that Nottinghamshire was named the 18th 'most dangerous area out of 42 to live in the UK for crime'.

An Office for National Statistics (ONS) report published in January confirmed that in the annual period between September 2021 and 2022, every area of Nottinghamshire had experienced rising crime in particular categories, although the overall picture across different categories was varied.

This Council's Plan, The Nottinghamshire Plan, states:

"Helping our communities to stay safe is one of our top priorities as a Council. Over 1 in 3 people hoped to see lower crime in their local area over the next 10 years. So, we'll lead the Safer Nottinghamshire Board, working closely with Nottinghamshire Police, to reduce crime and make people feel safer and more protected."

The Safer Nottinghamshire Board (SNB) developed a 3-year Community Safety Agreement, to be reviewed annually from 2020-2023. This agreement outlines the strategic priorities of the SNB and assigns strategic leads to each priority.

This Council therefore resolves to recommend to the SNB that they:

- Ensure that rising crime rates in particular categories across Nottinghamshire are acknowledged in the upcoming annual SNB CSA review.
- Consider the identified specific types of rising crime within a future CSA beyond 2023, to ensure there are targeted responses to these crimes across Nottinghamshire.
- Report on performance under current strategic priorities outlined in the SNB CSA and review whether those currently assigned to lead on these priorities remain suitable.

Ensure that all past and future SNB CSA annual review reports are published online and easily accessible to Nottinghamshire residents via the Nottinghamshire County Council website."
