

PUBLIC CONSULTATION RESPONSES – OBJECTIONS DATA

Land off Springs Road Misson objections	
Local Area (officers have defined this as an area broadly contained within the M180 to the north, the River Trent to the east, the A631 to the south, and the M18 and A638 to the west)	
Total Number of Objections	469
Issue	No. of objections per issue
General opposition to fracking/climate change/global warming/contrary to planning policy/precautionary principle/inaccuracies in the application	161
Water contamination/pollution/ground water protection zone/flood risk area	140
Proximity to/contamination of aquifer	276
Support for renewable energy/and non- carbon or methane generating energy sources	29
Noise pollution	342
Impact on several SSSIs/Misson Carr SSSI	285
Negative Impact on health/well being	98
Increase in traffic, Including HGVs/inaccuracies regarding traffic issues/danger to road users	410
Use/transportation of harmful chemicals/hazardous substances	20
Unnecessary use/transportation of large quantities of water	23
Industrialisation of countryside	232
Disposal of contaminated water	28
Impact on countryside/environment/agricultural land (food supply) (organic land)	73
Unsuitable roads on potential routes/access issues/impact on major transport infrastructure	405
Impact on landscape/visual impact	247

Light pollution	270
Air pollution/dust/toxic gases released	309
Impact on wildlife/ecology	319
Problems caused by vibration	248
Impact on recreation/tourism	15
Impact on house prices/sales/lack of insurance cover	42
Earthquakes/tremors/subsidence /ground instability/impact on listed properties and heritage asset/drilling may detonate ordnance	58
Other uses in the area that have negative impacts	38
Doubts over future monitoring/restoration/need for liability/insurance bonds	3
Local businesses will suffer/impact on airport	4
Concern over drill casing/rig height/decommissioning problems	11
Will not create jobs or local employment/no economic benefits/financial instability of IGas	5
Restrictive covenant	0

Land off Springs Road Misson objections	
The remainder of the Nottinghamshire/Lincolnshire/Yorkshire/Doncaster areas	
Total Number of Objections	1573
Issue	No. of objections per issue
General opposition to fracking/climate change/global warming/contrary to planning policy/precautionary principle/inaccuracies in the application	534
Water contamination/pollution/ground water protection zone/flood risk area	464
Proximity to/contamination of aquifer	1108
Support for renewable energy/and non- carbon or methane generating energy sources	169
Noise pollution	1094
Impact on several SSSIs/Misson Carr SSSI	1278
Negative Impact on health/well being	173
Increase in traffic, including HGVs/inaccuracies regarding traffic issues/danger to road users	1161
Use/transportation of harmful chemicals/hazardous substances	50
Unnecessary use/transportation of large quantities of water	53
Industrialisation of countryside	1035
Disposal of contaminated water	65
Impact on countryside/environment/agricultural land(food supply)(organic land)	206
Unsuitable roads on potential routes/access issues/impact on major transport infrastructure	1136
Impact on landscape/visual impact	1039
Light pollution	1020
Air pollution/dust/toxic gases released	1075
Impact on wildlife/ecology	1284

Problems caused by vibration	1034
Impact on recreation/tourism	210
Impact on house prices/sales/lack of insurance cover	78
Earthquakes/tremors/subsidence /ground instability/impact on listed properties and heritage asset/drilling may detonate ordnance	155
Other uses in the area that have negative impacts	7
Doubts over future monitoring/restoration/need for liability/insurance bonds	4
Local businesses will suffer/impact on airport	7
concern over drill casing/rig height/decommissioning problems	13
will not create jobs or local employment/no economic benefits/financial instability of IGas	34
Restrictive covenant	0
