

11 December 2014

Agenda Item: 7

**REPORT OF CORPORATE DIRECTOR, POLICY, PLANNING AND
CORPORATE SERVICES**

WORK PROGRAMME

Purpose of the Report

1. To consider the Committee's work programme for 2014/15.

Information and Advice

2. The County Council requires each committee to maintain a work programme. The work programme will assist the management of the committee's agenda, the scheduling of the committee's business and forward planning. The work programme will be updated and reviewed at each pre-agenda meeting and committee meeting. Any member of the committee is able to suggest items for possible inclusion.
3. The attached work programme has been drafted in consultation with the Chairman and Vice-Chairman, and includes items which can be anticipated at the present time. Other items will be added to the programme as they are identified.
4. As part of the transparency introduced by the new committee arrangements, committees are expected to review day to day operational decisions made by officers using their delegated powers. It is anticipated that the committee will wish to commission periodic reports on such decisions. The committee is therefore requested to identify activities on which it would like to receive reports for inclusion in the work programme. It may be that the presentations about activities in the committee's remit will help to inform this.
5. The work programme already includes a number of reports on items suggested by the committee.
6. A joint briefing for Members of Economic Development Committee and Transport & Highways Committee has been arranged for 11 December 2014 at 12:30 pm at County Hall in order to seek Members' initial views on the proposed Combined Authority for Nottingham and Nottinghamshire. Combined Authorities are legally discrete public authorities established by groups of Councils to bring greater collaboration to the regeneration and growth aspirations and transport ambitions of the areas that they cover.
