## **REPORT OF THE SERVICE DIRECTOR FOR CUSTOMERS, GOVERNANCE AND EMPLOYEES**

### **LOCAL GOVERNMENT & SOCIAL CARE OMBUDSMAN DECISIONS JUNE 2023 TO JULY 2023**

#### **Purpose of the Report**

1. To inform the Committee about Local Government & Social Care Ombudsman's (LGSCO) decisions relating to the Council since the last report to Committee was completed and therefore any decisions after 15<sup>th</sup> June 2023.

#### **Information**

2. Members have asked to see the outcome of Ombudsman investigations regularly and promptly after the decision notice has been received. This report therefore gives details of all the decisions received since the last report to this Committee which was held on 19<sup>th</sup> July 2023.
3. The LGSCO provides a free, independent and impartial service to members of the public. It looks at complaints about Councils and other organisations. It only looks at complaints when they have first been considered by the Council and the complainant remains dissatisfied. The LGSCO cannot question a Council's decision or action solely on the basis that someone does not agree with it. However, if the Ombudsman finds that something has gone wrong, such as poor service, a service failure, delay or bad advice and that a person has suffered as a result, the LGSCO aims to get the Council to put it right by recommending a suitable remedy.
4. The LGSCO publishes its decisions on its website ([www.lgo.org.uk/](http://www.lgo.org.uk/)). The decisions are anonymous, but the website can be searched by Council name or subject area.
5. A total of five decisions relating to the actions of this Council have been made by the Ombudsman in this period. Appendix A to this report summarises the decisions made in each case for ease of reference and Appendix B provides the full details of each decision.
6. Full investigations were undertaken into one complaint. Appendix A provides a summary of the outcomes of the investigation. Where fault was found, the table shows the reasons for the failures and the recommendations made. If a financial remedy was made the total amount paid or reimbursed is listed separately.

7. There was fault found in the investigated case. This case was in Childrens. The complaint is about the Council failing to find a suitable special school for Mrs F's daughter and put in place suitable alternative provision when her school could no longer meet her needs. Mrs F complained about how the Council delayed consulting specialist placements once it identified she needed to be at a special school, communicated poorly with her, delayed accepting a placement offer at a suitable independent school; and failed to arrange suitable alternative provision until a suitable special school was found. The Council was found at fault and as a result has apologised to Ms X, paid a distress payment and remedy for the loss of education from July 2021. The Council wasn't found at fault in how it reviewed the EHCP twice, considered Mrs F's views and amended the plan within timescales. The service is reviewing its procedures, work is well underway, as is the recruitment for the staff required.

### **Other Options Considered**

8. The other option considered was not bringing regular reports to the Committee detailing the decisions made by the Local Government and Social Care Ombudsman. This option was rejected as by not having oversight of this report the Committee would not receive assurances that the learnings from Ombudsman cases were leading to improvements in services.

### **Reasons for Recommendation/s**

9. To enable members to scrutinise complaints dealt with by the Council that went to the Ombudsman and to inform them of the service improvements being made for the benefit of residents as well as colleagues.

### **Statutory and Policy Implications**

10. This report has been compiled after consideration of implications in respect of crime and disorder, data protection and information governance finance, human resources, human rights, the NHS Constitution (public health services), the public sector equality duty, safeguarding of children and adults at risk, service users, smarter working, sustainability and the environment and where such implications are material they are described below. Appropriate consultation has been undertaken and advice sought on these issues as required.

### **Data Protection and Information Governance**

11. The decisions attached are anonymised and will be publicly available on the Ombudsman's website.

### **Financial Implications**

12. The details of any financial payments are set out in Appendix A. £7700 will come from Childrens services.

### **Implications for Service Users**

13. All of the complaints were made to the Ombudsman by service users, who have the right to approach the LGSCO once they have been through the Council's own complaint process.

## **RECOMMENDATION/S**
