22nd July 2015

Dear Colleague

Health & Wellbeing Stakeholder Network – Tuesday 22 September 2015

I am pleased to invite you to the next event for the Nottinghamshire Health and Wellbeing Board Stakeholder Network. We've called this event:

We're in it together – how the voluntary sector & the Health & Wellbeing Board can work together to improve health & wellbeing in Nottinghamshire

It will build on the discussions from the event last year which also looked at the relationship between the Board and the voluntary sector. I would like to tell you about what the Board has been doing, our plans for the next 12 months and how we can work together to deliver the improvements in health and wellbeing we all want.

The Board is based on partnerships which extend far beyond those people who sit at the table – we know how important our wider partners are and we would like to use this event to celebrate where those partnerships have been used to improve health and wellbeing in Nottinghamshire and to consider how we can build on these successes.

We would like to have table discussions where a project is outlined and discussed with a view to sharing good practice. If you would like to host a table discussion there is an expression of interest form attached with details of how to apply.

Members of the Board and I will be there to hear your views and ideas about how we can work together in the future.

The event will take place at the John Fretwell Sports Complex on Sookholme Road, Sookholme, Mansfield NG19 8LL on Tuesday 22 September 2015. A light lunch will be available from 1pm. A draft programme for the event is attached.

You can book places online through EventBright,

or by contacting Julia Thornborough (Julia.thornborough@nottscc.gov.uk) or by returning the reply slip attached to Julia at the address below.

Please respond by **Thursday 17 September 2015** to register for the event.

Invitations are being sent out to organisations which are currently part of the Stakeholder Network. If you have a colleague who is not part of that network please forward them this invitation.

Presentations and a summary of previous events are available on the Nottinghamshire County Council website:
