#### Terms

- Earmarked reserves are amounts set aside for specific purposes. They include amounts set aside for future capital investment and any unspent budgets held by schools.
- General reserves are amounts we have set aside to cover unplanned or unexpected spending demands in the future. While we need to keep enough aside to maintain a secure financial position we keep these amounts as low as possible so that we can spend more on delivering services while minimising the call on the council tax payer.
- Capital accounting and other unusable reserves are amounts held under accounting regulations and are not available for spending by the Council.

• Pensions reserves represent the liability of the Council to fund pensions earned by past and present employees.
