

Leamington Primary and Nursery Academy

Admissions

Leamington Primary and Nursery Academy is a member of School Partnership Trust Academies.

The published admission number is 60.

Catchment

Our catchment area is defined by a map available in school. Parents can check their catchment address by visiting www.nottinghamshire.gov.uk.

Admission to Reception (Full time education)

Children are of statutory school age at the start of the school term following their fifth birthday but schools in Nottinghamshire take all children into full time education during the school year (September 1st - August 31st) in which they are five i.e. from the September following their fourth birthday.

Parents can request that the date their child is admitted to school is deferred until later in the academic year, or until the term in which the child reaches compulsory school age. For full details, please refer to Nottinghamshire County Council's Admissions to schools: guide for parents available at www.nottinghamshire.gov.uk.

Nottinghamshire County Council as the local authority is responsible for co-ordinating admission arrangements for all maintained schools and Academies in its area and for determining admission arrangements for community and voluntary controlled schools. These requirements are described in the School Standards and Framework Act (SSFA) 1998 and the School Admissions Code (SAC) 2009.

All children who require a school place need to apply to their home local authority.

Admission oversubscription criteria

In the event of over-subscription, the following criteria will be applied, in priority order, to determine which applications will be granted once places have first been allocated to pupils who have a statement of special educational needs or Educational Health and Care Plan (EHCP) which names the school:

1. Children looked after by a local authority and previously looked after children
2. Children who live in the catchment area and who, at the time of admission, will have a brother or sister attending the school
3. Other children who live in the catchment area.
4. Children who live outside the catchment area and who, at the time of admission, will have a brother or sister attending the school
5. Other children

In the event of over-subscription within any criterion, preference will be given to children who live nearest to the school as the crow flies. Distances are measured using Nottinghamshire County Council's computerised distance measuring software from the main administrative point at the school campus to a point at the entrance to the child's home.

In the case of twins/multiple births, where one child can be admitted, the other child/children will also be admitted.

Special Circumstances

The following groups of children will be given special consideration in their application for a particular school: Children whose particular medical needs, mobility support needs, special educational needs or social circumstances are supported by written evidence from a doctor, social worker or other relevant professional stating that the school is the only school which could cater for the child's particular needs. The evidence must be presented at the time of application. The governing body will consider each case on its merits and determine the allocation of any such place on the basis of the written evidence. Admission under special circumstances will take precedence over all but the first of the numbered criteria.

Appeals

If a child is not allocated a place, Parents/Carers have a statutory right to appeal. This should be done by writing to the Clerk to Governors of your preferred school no later than 20 school days) after the decision letter has been received from the home local authority. The decision of the panel will be binding both on you and on the school.

In-year admissions

Leamington Primary Academy participates in Nottinghamshire County Council's in-year coordinated scheme. Information on how to apply is available at www.nottinghamshire.gov.uk.

If the respective year group total is below the published admission number for that year group, the child will be offered a place. If your child is not allocated a place, you have a statutory right to appeal (see 'Appeals' above). Your appeal should be lodged within 20 school days) after the date of your refusal letter.

Fair Access Protocol

The government has stated that all Local Authorities must have a Fair Access agreement that allows hard to place children to be given a place before any over-subscription criteria are applied and before anyone is considered from the reserve list.

Leamington Primary Academy participates in Nottinghamshire County Council's Fair Access Protocol.

The purpose of the Fair Access Protocol is to ensure that vulnerable children are offered a school place as quickly as possible and to evenly spread children with additional needs across all schools in the county. The protocol only applies to mid-term applications; it does not operate when children transfer from primary school to secondary school.

Admission of children outside the normal age group

Parents may seek a place for their child outside of the normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. Children should only be educated out of the normal age group in very limited circumstances.

Nottinghamshire residents should submit a request in writing to Nottinghamshire County Council's school admissions team as early as possible. Designated officers will make decisions based on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, the child's medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The views of the head teacher of the school concerned will also be taken into account. When informing a parent of the decision on the year group to which the child should be admitted, the parent will be notified of the reasons for the decision.

Where it is agreed that a child will be admitted out of the normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and admission authority must process the application as part of the main admissions round on the basis of their determined admission arrangements only, including the application of oversubscription criteria where applicable. The parent has a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Definitions

1. Siblings

Sibling is defined as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

2. Definition of 'Looked After' children and previously looked after children

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002.

Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

In the case of twins/multiple births, where one child can be admitted, the other child/children will also be admitted.

3. Home address

The child's place of residence is taken to be the parental home, other than in the case of children fostered by a local authority, where either the parental address or that of the foster parent may be used. If a child's parents live at separate addresses, the address where the child permanently spends at least three 'school' nights (Sunday, Monday, Tuesday, Wednesday or Thursday) will be taken to be the place of residence. Addresses of other relatives or friends will not be considered as the place of residence, even if the child stays there for all or part of the week. Evidence that a child's place of residence is permanent may also be sought by the governors. The evidence should prove that a child lived at the address at the time of the application. Informal arrangements between parents will not be taken into consideration.

4. Parents

- the mother of the child
- the father of the child where he was married to the mother either when the child was born or at a later date
- the father of the child if (since 1 December 2003) he was registered as the father on the birth certificate
- an adoptive parent
- any other person who has acquired 'parental responsibility' through the courts; evidence of this may be required by the governors.

In all cases, those with parental responsibility must be in agreement with preferences made.

5. Tie-break

If the distance criterion is not sufficient to distinguish between two applicants for the last remaining place then a lottery will be conducted by an independent person
