Continuous Improvement Plan 2016-2017

FINAL DRAFT

Nottinghamshire Children, Young People and Families Plan 2016-2018

Priority 1 - Children and young people are safe in Nottinghamshire

What are our outcomes?

- Children and young people at risk of 'emerging threats' will be appropriately identified, supported and protected.
- Children, young people and families accessing our case holding services will see improved outcomes as a result of high quality, consistent assessments with clear and achievable plans and appropriate interventions.
- Children, young people and families experience a seamless service when moving between Early Help and Children's Social Care.
- Looked After Children and Care Leavers will be supported through improved placement provision, health services and learning opportunities.
- Children, young people and families accessing services will benefit from a more stable and skilled workforce.

What will success look like?

- Looked After Children and Care Leavers will be able to access health services when needed, achieve better educational outcomes, and have access to a range of high quality opportunities at 16 and 18 and beyond.
- Children and young people at risk of 'emerging threats' including child sexual exploitation and radicalisation will receive the support needed from services when identified and protection when required.
- Children, young people and families will experience joined-up assessments with plans leading to interventions which will improve their outcomes.

FINAL DRAFT

Priority 2 - Children and young people are happy and healthy in Nottinghamshire

What are our outcomes?

Children and young people will experience improved health outcomes as a result of the implementation of a range of plans and the commissioning of services over the next two years including:

- The Nottinghamshire Child & Young People's Mental Health and Wellbeing Plan (Future in Mind Local Transformation Plan) by April 2018.
- The Integrated Community Children and Young People's Healthcare Programme by April 2018.
- The Healthy Child and Public Health Nursing Programme for 0-19 year olds by March 2017.
- The Young People's Health Strategy.

What will success look like?

- More children and young people have a positive experience of health care.
- More children and young people receive the health care they need in a timely manner.
- More young people have good mental health.
- Children and young people are admitted to hospital only when it is unsafe or inappropriate to care for them in the community.
- Children and young people are less likely to be over-weight or obese.
- Looked After Children experience more cohesive and efficient statutory health services.
- Young people will be able to access a young person specific health issues website.

Priority 3 - Children and young people achieve their potential in Nottinghamshire

What are our outcomes?

- Children and young people will be able to access sufficient early years provision and school places in their local communities.
- More children and young people will attend good or better schools in Nottinghamshire compared to the national average.
- Vulnerable children and young people will see their educational outcomes improve at a greater rate than others and the most vulnerable children will be less likely to be missing education.
- Young people with disabilities will have improved life chances.

What will success look like?

- Nottinghamshire will have sufficient early years and school places to meet an increasing demand.
- Every child is accessing their entitlement to full-time education.
- The quality of schools will continue to improve in the County and the most vulnerable will see their attainment levels improve at a faster rate than the whole population.
- Young people will make successful transitions at 16 and 18, including the most vulnerable.

Priority 4 - Children and young people and families receive support when needed in Nottinghamshire

What are our outcomes?

- Children, young people and families experience a seamless service when moving between Early Help and Children's Social Care.
- Children, young people and families accessing our case holding services will see improved outcomes as a result of high quality, consistent assessments with clear and achievable plans and appropriate interventions.
- Families in Nottinghamshire accessing children's services will be supported to develop their resilience and parenting skills in order to support their children and improve outcomes.
- Children and young people will be able to access a broad range of positive activities.
- Children and young people will have timely access to CAMHS.

What will success look like?

- Children, young people and families will experience improved outcomes as a result of the interventions delivered by Early Help services, and a reduced need to access more specialist services.
- Referral pathways are clear and assessments are not duplicated.
- Following the interventions families are more confident with improved skills to support their children and young people.
- Children, young people and families are able to inform the future developments of Early Help services.
- Children and young people in need of support in relation to their emotional or mental health will receive it in a timely way following implementation of the new CAMHS model as noted in Priority 2.
