NOTTINGHAMSHIRE CALENDAR OF EVENTS 2017

Purpose of the Report

1. To seek approval from the Children's Trust Board to disseminate a new calendar of events to public facing services, with a particular focus on services for children, young people and families.

Information and Advice

2. Children and Families Locality Management Groups are now coming to an end. As part of their sustainability plans, Early Childhood and Early Help Locality Services in Nottinghamshire County Council were asked to develop a calendar of events for services working with children and families.
3. The attached calendar has been developed in partnership with public health colleagues and a key aim of the calendar is to increase health promotion campaigns and awareness.
4. The events listed in the calendar will act as a prompt for schools, GP practices and others to help them plan timetables of work, display boards etc.

RECOMMENDATION/S

- 1) To request that the Children's Trust Board approves the use and dissemination of the calendar to services working with children, young people and families.
