## AP Free Schools strategy

Summary of comparative data to be collected by Partnership area, showing:

- the total pupil population
- trend data (over three years) showing permanent exclusions, total and per head of the pupil population
- children not on a mainstream roll who have SEMH/ASD needs which are being met:
  - on roll of INM schools, including AP schools
  - on roll of EOTAS and attending AP (with an EHC Plan)
  - on roll of EOTAS and attending AP (without an EHC Plan)
  - number of funded AP places where the LA is charged the place funding, (these are in addition to the places listed above, and where the top-up is being paid for by either a school or a partnership)
  - on roll of a special school, Nottinghamshire. and non-Nottinghamshire
- children on a mainstream school roll with SEMH/ASD needs accessing AFN and HLN funding.
