Contents

Executive Summary	i
Chapter 1: Introduction	3
1.1 Introduction to the Process	5
1.2 The Plan Area	8
1.3 Joint Working	9
1.4 Review of the first Local Transport Plan	11
1.5 Plan Development	13
1.6 Consultation	14
1.7 Changes to the Provisional Plan	18
Chapter 2: Vision and Objectives	23
2.1 Vision	25
2.2 How will we achieve this Vision?	27
2.3 Objectives	38
Chapter 3: Wider Context	43
3.1 National Context	45
3.2 Regional Context	45
3.3 Linkages with Sub-Regional Strategies	48
3.4 Links with Development Plans	52
3.5 Links with Community Strategies	54
3.6 Local Area Agreements	59
3.7 Strategic Document Review	59
3.8 Local Government Context	59
3.9 Corporate Links	61
3.10 Meeting the Needs of Longer Distance Travellers	67
Chapter 4: Problems and Opportunities	83
4.1 Evidence Base	87
4.2 Demographic and Social Background	92
4.3 Congestion	96
4.4 Accessibility	103
4.5 Safer Roads	106
4.6 Air Quality and Environment	111
4.7 Regeneration and Neighbourhood Renewal	115
4.8 Quality of Life	119
4.9 Efficient Maintenance	121
4.10 The Big Wheel Familiarity and Favourability Study	123
Chapter 5: Tackling Congestion	127
5.1 Background	129
5.2 Greater Nottingham Issues	129
5.3 Improving Transport Choices	131
5.4 Making Better Use of Existing Infrastructure	143

5.5 Parking Policy	151
5.6 Local Charging and the Transport Innovation Fund (TIF)	155
5.7 Linking of Programmed Schemes with Congestion Priorities	155
5.8 Congestion Monitoring, Modelling and Target Setting Appendix	157
Chapter 6: Delivering Accessibility	165
6.1 Background	167
6.2 Approach to Accessibility Planning	167
6.3 Related Strategies and Policies	174
6.4 Key Areas of Intervention	184
6.5 Priority Accessibility Action Areas	189
6.6 Contribution of Programmed Measures to Accessibility Priorities	196
Chapter 7: Safer Roads	201
7.1 Background	203
7.2 Greater Nottingham Issues	203
7.3 Key Areas of Intervention	206
7.4 Actions	215
Chapter 8: Better Air Quality and Environment	221
8.1 Better Air Quality	223
8.2 Climate Change	236
8.3 Strategic Environmental Assessment	237
8.4 Landscape and Biodiversity	238
Chapter 9: Regeneration and Neighbourhood Renewal	241
9.1 Background	243
9.2 Greater Nottingham Issues	243
9.3 Key Areas of Intervention	248
9.4 Actions	250
Chapter 10: Quality of Life	265
10.1 Quality of Public Spaces and Streetscape	267
10.2 Community Safety, Personal Security and Crime	273
10.3 Healthy Communities	276
10.4 Impact of Traffic on Communities	280
Chapter 11: Efficient Maintenance	285
11.1 Background	287
11.2 Highway Maintenance Objectives	287
11.3 Maintenance Allocation Criteria	289
11.4 Surveys and Monitoring	291
11.5 Bridges and Highway Structures	291
11.6 Lighting	293
11.7 Transport Asset Management Plan Interim Report – Nottingham City Council	295
11.8 Transport Asset Management Plan Interim Report – Nottinghamshire County Council	298
Chapter 12: Implementation Programme	305
12.1 Planned Resources	307

12.2 Resource Allocations	309
12.3 Priorities within the Programme	309
12.4 Planned Scheme Delivery	311
12.5 Programme Development	313
12.6 Major Scheme Bids	320
12.7 Other Major Schemes	327
12.8 Major Schemes' Contributions to Plan Objectives	334
12.9 Major Scheme Funding Requirements	335
12.10 Value for Money and Risk Management	335
12.11 Local Charging	336
12.12 Programme Delivery	341
Chapter 13: Targets and Monitoring	353
13.1 Background	355
13.2 Links to Vision and Objectives	361
13.3 Targets	363
13.4 Actions to Achieve Targets	372
13.5 Risks and Management of Risks	375
Annex A: Strategic Document Review	383
Annex B: Rights of Way Improvement Plans Progress Reports	397
Annex C: Risk Assessment of the LTP Programme	409
Annex D: Finance Forms	417
Glossary	419
