Dear Mr. Jones,

I refer to my letter, dated 12 July 1986, and would re-emphasize that I do not wish to dedicate any further rights-of-way of any sort over any land belonging to me. You already have a 6" map showing the boundaries of the Westrope Estate and the existing footpaths and bridleways and I assume that a fresh 6" map is not required.

Please would you be good enough to acknowledge receipt of this letter. Yours sincerely,

Dear Mr. Jones,

I refer to our recent meeting concerning the footpaths at Westhorpe and in particular the proposed footpath along the Westhorpe Dumble.

You were going to send me a 6" map showing footpaths and bridleways and their numbers on the Westhorpe Estate, including Thorney Abbey, and also a suggested wording to satisfy the demands of the Wildlife and Countryside Act. As I remember, the wording was to the effect that I do not wish to dedicate any further rights of way of any sort over any land belonging to me and the Trustees of the J.H.W. Hanmer's Childrens Settlement.

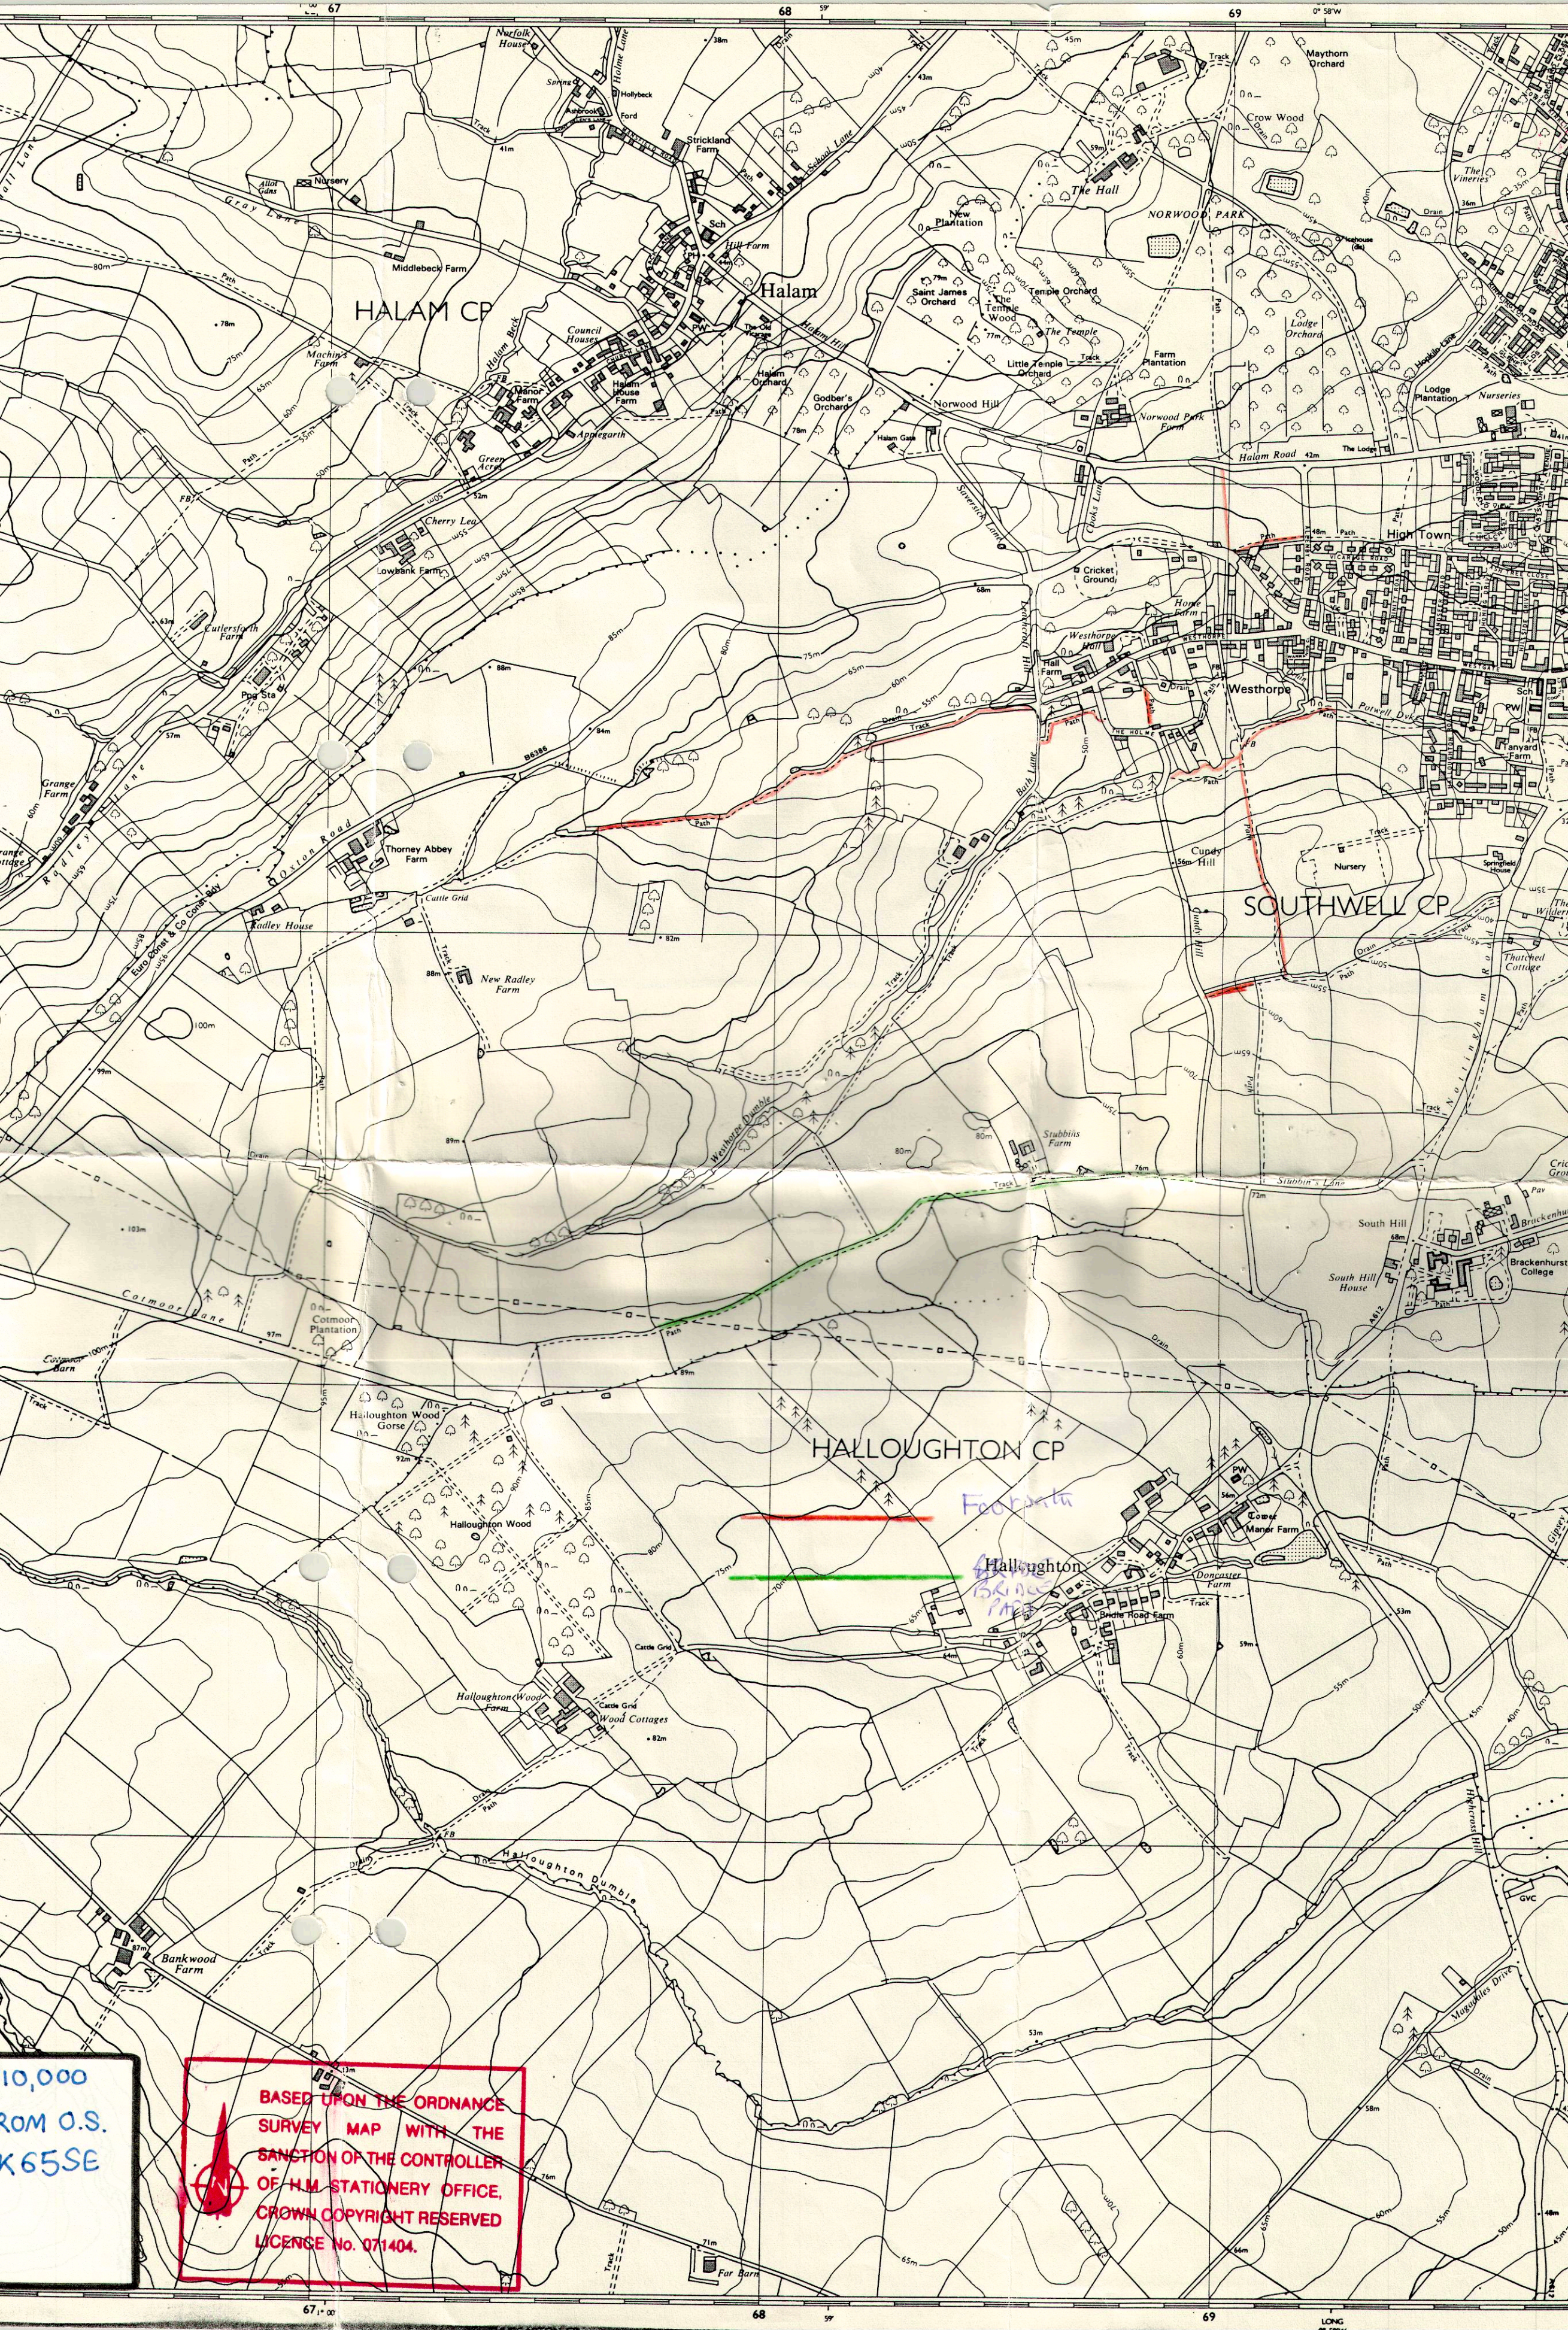

On the assumption that this is correct I would be grateful if you would place this letter in front of the relevant officer to protect my position and that of the Trustees for the next six years.

In the meantime I strongly object to the claims made to make the Westhorpe Dumble on both sides a public footpath.

Your sincerely,
WESTHORPE FARMS
