THE NOTTINGHAMSHIRE COUNTY COUNCIL
(RHODESIA FOOTPATH NOS. 7 AND 8) MODIFICATION ORDER 2015

This Order is made by the Nottinghamshire County Council under Section 53(2)(b) of the Wildlife & Countryside Act 1981 ("the Act") because it appears to that Authority that the Nottinghamshire (Bassetlaw District) Definitive Map and Statement require modification in consequence of the occurrence of an event specified in Section 53 (3) (c) (i) of the Act, namely the discovery of evidence that rights of way subsist or are reasonably alleged to subsist over land situated at Rhodesia.

The Authority have consulted with every Local Authority whose area includes the land to which the Order relates.

SCHEDULE

PART I

Modification of Definitive Map

Description of the Paths or Ways to be added

Rhodesia Footpath No. 7

Commencing from a point, SK 56617972, at the junction with Mary Street and proceeding for a distance of approximately 325 metres in a southerly, then generally south-easterly and finally north-easterly direction to a point, SK 56767950, at the junction with High Grounds Road and having a width of 1.2 metres throughout the whole of its length.

Rhodesia Footpath No. 8

Commencing from a point, SK 57207958, at the junction with High Grounds Road and proceeding for a distance of approximately 50 metres in an easterly then south-easterly direction to a point, SK 57267956, at the junction with Rhodesia Footpath No. 4 and having a width of 1.2 metres throughout the whole of its length.
Highgrounds Industrial Estate, Worksop, Landowner Declaration. Rhodesia Footpath No. 7

I understand that you have recently submitted a landowner declaration for land at the Highgrounds Industrial estate on behalf of Omega Atlantic Limited and have recently emailed my colleague Mary Mills. As part of the pre checks before a notice is erected, I can tell you part of the land is effected by an unconfirmed footpath Modification Order that was made on the 8th May 2015 and advertised on site. This path will soon be confirmed which is the final stage in the path becoming recorded on the Definitive map as a public footpath. Please find attached a copy of the Order that was made as well as a copy of a notice that was erected on site. The section of path that goes along your client’s land is on a 1.5 metres wide tarmac surfaced path adjacent to the Industrial Estate Boundary.

Since the final stage of confirmation has yet to be made this will not affect the landowner statement that you have made as it was before the date when the Order will be confirmed. However, it does mean in subsequent declarations the plan will have to be amended to include what will be known as Rhodesia Footpath No. 7.

Should you want any more information then please let me know.
