Declaration of Rights of Way - Hardwick Hall Estate

On behalf of the National Trust I am writing to make a declaration under section 31(6) of the Highways Act 1980, in respect of the National Trust's Hardwick Hall Estate which falls within your Council's boundary.

I declare that at the date of this letter there are no paths crossing the above estate that have been dedicated as highways, and therefore there are no public rights of way.

I would be grateful if you could please acknowledge receipt of this letter and enclosures.

Yours faithfully

Dear Sir/Madam

Declaration of Rights of Way - Nottinghamshire County Council

At the beginning of this year we undertook to update our own records of rights of way as they affect National Trust land within Nottinghamshire.

What I enclose are maps (plus associated lists) and statements that will renew our process of declarations. Indeed, if the maps and statements are accurate I intend to send a declaration signed by a solicitor after about two to three months. This will then be sent every six years noting any changes. Any additions to any of the estates will be sent under a separate statement, and therefore a separate declaration.

Yours faithfully

Ian J White
