

**Freedom of information request NCC-027480-17**

Thank you for your request for the following information:

I was wondering whether it is possible for you to send me the school admissions data for September 2010, more specifically the number of places available in each primary school and secondary school in the Broxtowe district, and if available how many pupils each school actually admitted and the number of places oversubscribed for each school.

Our response

Please find attached Pdf document please note that the data is several years old and the school names may have changed.
