

The number of detached youth workers employed by your organisation (WTEs) in the financial years 2012/13, 2013/14, 2014/15, 2015/16 and 2016/17

2012/13

Nottinghamshire was made up of 7 area team and each area team had:-

1 x Full Time Detached Youth Worker with at least enough part time staffing to cover 4 evenings, more in some areas.

2013/14

Youth Service 0 Detached Workers but did have 7 mobile projects.

In Youth Justice we had 2 F/T Detached Youth Workers and 10 x P/T sessions of 3 hrs each focusing on ASB and preventative work.

2014/15, 2015/16

The figures are the same as 2013/14

2016/17

0 x Full Time Youth Workers (although the workers still oversee the P/T workers Detached Work is not the whole focus of their Job)

12x 3hrs sessions allocated to Detached Youth Work for the whole of Nottinghamshire.

The total spent on detached youth work services by your organisation (£'000) in the financial years 2012/13, 2013/14, 2014/15, 2015/16 and 2016/17

Total for this year so far £21936.44 this will probably end up around £30,000. We are unable to provide exact figures for previous years.

Details on the operating hours of your detached youth work service, specifically: The number of days per week the service runs The number of sessions that are provided each day (specifying if this varies by day) The length in hours that these sessions run for (specifying if this varies by day)

Our current sessions are evenings between 6pm and 9pm we do weekends and other evenings with young people normally focused around specific activities as and when required.

Mon ...One Session 3hrs 6-9pm

Tue....Two Sessions 3hrs 6-9pm

Wed...Two Sessions 3hrs 6-9pm (we have just stopped one session awaiting recruitment)

Thur...One Session 3hrs 6-9pm

The number of young people contacted within each session (specifying if this varies by day / session) Number of children and young people contacted (both unique contacts and total contacts where an individual was seen multiple times) by your detached youth work team in the financial years 2012/13, 2013/14, 2014/15, 2015/16 and 2016/17

I am unable to provide any figures for previous years.

During 2016/17 we had 84 unique contacts (Individuals) worked with through detached work. We are unable to provide number of contacts.

Performance against the Key Performance Indicators (KPIs) (e.g. % reduction in school truancy rates) that you use to monitor and evaluate the outcomes of your detached youth work services in the years 2012/13, 2013/14, 2014/15, 2015/16 and 2016/17

At present we use unique attendances.

Feedback from district authorities and the Police as to is the perception of youth ASB reducing as felt by the local communities.

A summary of any interaction and / or joint work with other agencies including: schools; police; and social services

We work closely with obviously our own service, Youth Justice and the Youth Service, Police and our 7 District Councils/Boroughs.
