

NCC-029045-17- CCTV Fees request

Do you charge motorists a fee to obtain a copy of the CCTV footage relating to the issuing of a Penalty Charge Notice? (Please provide details of the format the footage is provided on and the amount of the fee).

Further to your recent Freedom of Information request set out below. The answer is no, Nottinghamshire County Council do not charge a fee. We currently hold all our footage online. Prior to this our process was to burn images to blank DVD and post to the registered keeper free of charge.

We hope this now satisfies your request, and should you have any further enquiry please do not hesitate to contact me directly on the details below.

In addition to the this and for future reference Nottingham County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (See link)

For info, the Ministry of Justice publish data on an annual basis and the next publication is due any time for 2016/17 academic year but it only states how many were lodged by local authority and not the outcomes by local authority only nationally.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or email complaints@nottsc.gov.uk.

If you are not content with the outcome of your complaint or review, you may apply directly to the Information Commissioner for a decision. Generally, the information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the Council. The Information Commissioner can be contacted at:
