

Freedom of Information Request - Bracken Lane Primary School –NCC-029577-17

Thank you for your recent Freedom of information request for the following information:

I would like to be provided with all electronic records pertaining to any issues raised regarding asbestos in the kitchen area at Bracken Lane School Retford. I fully understand that there will be an asbestos survey. I am only interested in any issues raised about the integrity of the asbestos after the most recent survey.

I expect this will include the recent H&S inspections and correspondence regarding reported issues and any corrective actions taken.

Our response:

Please find attached the asbestos register for Bracken Lane Primary School, as at the last review by a member of the Nottinghamshire County Council "NCC" Property Compliance Team on 17 July 2017. Items related to the kitchen are identified as being in Building 50.

For information NCC understand that the school converted to Academy status on 1 September 2017, at which point the Academy Trust became responsible for asbestos management, including undertaking R&D surveys ahead of works and maintaining their asbestos register. We are not aware of any changes to the asbestos register that might have taken place since they became a Trust and any further queries should be directed to the Academy Trust.

If you are unhappy with the way your request was dealt with and wish to make a complaint, please write to the Team Manager, Complaints and Information, County Hall, West Bridgford, Nottingham, NG2 7QP or e-mail foi@nottscc.gov.uk quoting the reference above.

Following this, if you remain dissatisfied, you can apply to the Information Commissioner, however, the Information Commissioner does not usually make a decision unless you have exhausted the procedure provided by the County Council. The information Commissioner can be contacted at:
