**Request for Information: Ref NCC-029657-17**  
**Newspaper advertising of Traffic Regulation Orders**

Thank you for your request for information relating to Newspaper advertising of TRO's. I can now let you have the following information in response to the questions you raised.

**What is the annual spend on newspaper advertising of TRO's for the latest year you have available?** Advertising costs incurred for traffic regulation orders (both permanent and temporary) for the year 16/17 was £61,603 for the period 1 July to 31 March. This is a 9 month period rather than the full year. I cannot report the full year due to the transfer of the highways service to Via at 1 July 2016. It would be reasonable to for enquirer to assume a pro-rata spend across the full year for most purposes.

We hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly using the contact details below. In addition and for future reference Nottinghamshire County Council regularly publish previous FOIR, s and answers on our website, under Disclosure logs, available at the following link:
