**Request for Information: Ref NCC-030918-18
5G Planning**

Thank you for your request for information relating to 5 G planning. I can now let you have the following information in response to the questions you raised.

Discussions with Telecoms Companies, regarding 5G planning and/or its rollout in any parts of Nottinghamshire, that may have taken place or are due to take place in the future. This also includes any tree-felling contracts which may arise as a consequence of 5G implementation.

With the exception of the roadmap section of the tender we have not discussed 5G with our suppliers. 5G was not available at the time of the mobile tender. We have not discussed the felling of trees to support this technology.

We hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly using the contact details below. In addition and for future reference Nottinghamshire County Council regularly publish previous Freedom of Information Requests and answers on our website, under Disclosure logs, available at the following link:
