Good afternoon Personal Information

There are a number of ways of paying the County Council and these are set out via the link below:

<http://www.nottinghamshire.gov.uk/business-community/doing-business-with-us/pay-an-invoice>

As set out in the link the County Council's bank account details are:

- sort code: 20-63-28
- account number: 73436535.

The relevant ledger codes are as follows:

- £650,000 for the Misson site to be paid in three instalments – using GCZE730 / 94509.
- £183,000 for the Tinker Lane site to be paid in a single instalment – using GCZE731 / 94509.

Please do not hesitate to contact me should you wish to discuss any of the above.

Kind regards

Oliver Meek

Good morning Oliver,

So that we can prepare to make the payments, could you please email the ledger codes/account details for payment of both the Tinker Lane and Springs Road bonds.

Kind Regards

Dear [Personal Information]

For your information, the County Council has now organised leger codes for the payment of bonds relating to the Misson Springs and Tinker Lane planning applications. When you are ready to make the payment, we will pass the codes on to you.

Kind regards
