Subject: Financial breakdown for well plug and abandonment, and site restoration - Springs Road, Misson
Attachments: SR 01 01 Breakdown of works for bond 12 12 16.docx

Dear Jonathan,

Further to your email and our conversation yesterday please find attached revised note for the breakdown of figures for a financial guarantee. As discussed, given the commercial sensitivity to some of these figures we will need to arrange for a meeting with your appointed agent and the drilling engineer at IGas.

If you require any further clarification please do not hesitate to get in touch.

Kind regards,
