

FOI Request NCC-031809-18 - software system your legal teams use

Dear Requester,

Further to your recent Freedom of Information request, please see Nottinghamshire County Councils response.

We do not have any specialist software for case management/matter management and only use the standard Microsoft software that is installed on the Windows 8 laptops ICT issued to us. Over and beyond this we use Adobe Pro for court bundling among other work and Time master for time recording. All of these are corporate systems
