

Freedom of information request NCC-032621-18

Thank you for your recent freedom of information request for the following information:

I am requesting information regarding personal budgets, which are written into Education, Health and Care Plans for children and young people. These are contained within section J of an EHCP.

Can you please tell me how many children and young people within the county of Nottinghamshire have a personal budget contained within their EHCP.

Our response

Nottinghamshire County Council "NCC" can confirm the data falls within our government statistical return on an annual basis taken in January each year.

This data is published in May the same year please find attached our data for 2018. I have also provided the following link to 2018 published data:

<https://www.gov.uk/government/statistics/statements-of-sen-and-ehc-plans-england-2018>

For clarity It's Statements of SEN and EHC plans: England, 2018 - national and local authority tables, and then table 10 will provide the data requested.

I trust the above information is of assistance to you.

If you are unhappy with the way your request was dealt with and wish to make a complaint, please write to the Team Manager, Complaints and Information, County Hall, West Bridgford, Nottingham NG2 7QP or email foi@nottscc.gov.uk quoting the reference above.
