

## **ITC Level 3 Award in Emergency First Aid at Work (EFAW)**

### **Highlights**

- Fulfils Nottinghamshire LA requirements for leading visits and school first aid.
- Gain a practical range of skills and understanding in first aid situations.
- Nationally recognised qualification.
- This course can be run at your school/venue or join us on one of our centres.
- Suitable for those holding the Countryside Leader award.

All organisations, including schools/employers/local authorities have to risk assess their workplace first aid requirements and the 1-day Emergency First Aid at Work (EFAW) qualification is one of the statutory qualifications for this purpose.

If the risk assessment indicates that employees may be faced with life-threatening incidents where they have to manage the casualty for up to 10 minutes, or deal with very minor incidents that will not require medical assistance, then the EFAW is the course that meets this need.

### **Delivery**

Topics include; roles & responsibilities, assessing incidents, dealing with collapse (with and without breathing), choking, bleeding, shock, seizures, minor workplace incidents, using first aid kit.

This qualification is designed to provide essential lifesaving skills. Typical delivery methods are predominantly practical and the course is assessed by continual observation of candidate performance.

### **Features**

Qualification training requires:

- Minimum tutor contact time of 6 hours (excluding breaks).
- 1:12 tutor to candidate ratio.
- Course must be completed within 3 weeks of starting.
- Each delivery session must be a minimum of 2 hours.
- Successful completion will result in candidate gaining ITC Level 3 Award in Emergency First Aid at Work which is valid for 3 years from date of completion.
- The HSE strongly recommend candidates take an annual 3 hour refresher during the lifetime of the qualification.
- The qualification is revalidated by attending another EFAW course after 3 years.
