

Cluster Schools: Ncc-033284-18

I wish to make a formal request under the freedom of information act to obtain information for school cluster groups including if available, the cluster chairs that are within your local authority.

Please advise the following information please:

- The cluster group names and how many schools are comprised within them
- Contact information for the cluster chairs or coordinators
- Any scheduled meeting dates for 2019

By cluster group I am referring to the schools in a city or region who meet to share best practise. These meetings are often organised by someone at each cluster therefore it would be great to obtain the contact details.

Is this information the Council would hold?

Thank you and kind regards
