

NCC-033543-18 Paddy Tipping Employment

Further to your query. We can confirm that we have checked archived files and that the information given previously is correct. Councillor Tipping was on the Social Services Committee from 10th June 1981 to 17 April 1989.

We hope this is of more help.

Kindest Regards

Thank you for your response.

I'm slightly confused about it, with regards to you only noting that he was on the Social Services Committee during the 1985 – 1989 administration. Presumably this does not mean that he was on the committee for the entirety of that administration - or does it?

When I made a similar request - regarding different councillors - I was given the exact dates they were members of the committee, for example March 1989 to Jan 1996.

Is there any reason this can't be done for former Coun Tipping?

Thank you,
