

The Spirit of Sherwood at Christmas

Come join **Maid Marian** in a new adventure at Sherwood Forest Education Centre!

Journey on a magical winter trail to discover the beauty of Sherwood at Christmas time. Walk the frozen paths of the forest carrying your **Winter Wonders** passport. Learn about the traditions of Christmas from medieval times and collect stamps for your passport along the way.

If you collect all the stamps you can trade your passport for a Christmas gift deep in the forest from the Spirit of the Sherwood; the Green Man or sometimes known as Robin Hood!

Finish your visit with hot chocolate and a Christmas story back at the woodland classroom.

Running on select dates in
December.
