Appropriate for KS1 pupils

Pupils will learn about the festivities and the importance of the Chinese New Year festival, and its history.

Activities include

- Take part and re-enact the story of The Great Race to help explain the origins of the Chinese calendar. Which animal will win your race and become the Emperors favourite?
- Complete our exciting orienteering treasure hunt, where your children will collect authentic charms to explore Chinese traditions and their symbolism.
- Enjoy in the delight of your class dancing in a Chinese dragon costume, parading through the oriental inspired gardens of Brackenhurst Hall, accompanied by music created by your pupils in this colourful festival.
- Discover the story behind the Willow pattern style plates and enjoy a craft session where the children can make their own Chinese animal faces, Chinese lanterns and dancing dragons to hang in the classroom or take home.
