

NCC-034379-18 - Organisational breakdown of highways and transport division

Dear Nottinghamshire County Council,

Please May I have the organisational structure for the Highways and transport department within your council; a breakdown of the individual divisions and team(s) within the mentioned department, including the name, titles and contact details including telephone numbers of all team members for each division as of the date response to this request.

Furthermore, could I have the details of any consultants or recruitment agencies your organisation has used to hire for contract and permanent roles in the last 6 months?

Yours faithfully

Dear Requester,

Within your council; a breakdown of the individual divisions and team(s) within the mentioned department, including the name, titles and contact details including telephone numbers of all team members for each division as of the date response to this request. (We would only provide publically available information)

Furthermore, could I have the details of any consultants or recruitment agencies your organisation has used to hire for contract and permanent roles in the last 6 months? (I can't answer about consultants but I can confirm we have a managed service contract with Reed which covers all agency needs across the Council. We have no temporary staff taken on outside of Reed. . On consultancy just one - Tim Rivett Consulting

The contract allows for a range of panel suppliers. Via are not part of these arrangements)

We trust this now resolves your enquiry, however should you have any further queries please do not hesitate to contact me directly on the details below.
