For Nottinghamshire community schools, the standard admission oversubscription criteria are detailed in the *Admissions to schools: Guide for parents*.

The application breakdown summary at the back of this document is based on information on national offer day 1 March 2018. For academy, foundation and voluntary aided schools which were oversubscribed in Year 7 for 2018-2019 it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools is different and is applied by the individual admission authority. For details of allocation of places, please contact the school for further information.

All school information is correct at the time of print (August 2018) but is subject to change.

**Summary of admission oversubscription criteria 2019-2020**

**Year 7**
1. A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989)
2. Children of members of staff who are employed by Chilwell School. This constitutes any adult employed on a permanent full or part time basis by the governing body of Chilwell School for two or more years at the time the application for admission is made OR a member of staff who has been recruited to fill a vacant post for which there is a demonstrable skills shortage.
3. Children who attend the Chilwell Family of Schools (The Lanes Primary School, John Clifford Primary School and Rylands Junior School) who were on the roll at the time of application and who were still on roll on the closing date for applications. Within this category first priority will be given to those who will have a brother or sister attending Chilwell School at the time of admission.
4. Children not attending the Chilwell Family of Schools who will have a brother or sister attending Chilwell School at the time of admission.
5. Remaining places will be allocated on proximity to the school measured ‘as the crow flies’ from the entrance to the child’s home to the principal entrance of the main administrative building of the school. In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.

**Year 12**
1. Students in public care who are ‘looked after’ or adopted at the time an application for admission is made and who the local authority confirm will still be ‘looked after’ or adopted at the time of admission to school.
2. Pupils transferring from within Chilwell School who meet the school’s minimum entry requirements; such students are guaranteed a place irrespective of numbers.
3. Pupils transferring from other schools who meet the school’s minimum entry requirements (At least 40 places will be available for pupils transferring from other schools)

In the event of there being more applicants than places available in 3 above, the deciding factors will be, in order of priority:
(i) Whether there is a brother or sister on Chilwell School roll at the time of entry to the Sixth Form. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
(ii) Pupils who live nearest to the school ‘as the crow flies’ with distances measured from the entrance to the pupil’s home to the principal entrance of the main administrative building of the school. In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.

Summary of admission oversubscription criteria 2019-20

Year 7
1. Looked after children and all previous looked after children who were looked after, but ceased to be so because they were adopted (Adoption Act 1976 and Section 46 of the Adoption and Children Act 2002) or became subject to a child arrangements order or special guardianship order (Children Act 1989). A more comprehensive definition of looked after children can be found in the Admissions Code of Practice, para. 1.7 and the accompanying footnote.
2. Children who live in the catchment area and who attend a linked school at the time of the closing date for applications in the year preceding admission to secondary school. Places will be allocated in the first instance to children who, at the time of admission, will have a sibling attending the West Bridgford School in years 7-11. All children in this criteria will be ranked by random allocation.
3. Children who live in the catchment area at the time of the closing date for applications in the year preceding admission to secondary school. Places will be allocated in the first instance to children who, at the time of admission, will have a sibling attending the school in years 7-11. All children in this criteria will be ranked by random allocation.
4. Up to 21 (10%) of places will be offered to those who can demonstrate an aptitude for Technology and could therefore benefit from the distinctive education offered by the West Bridgford School as a specialist technology school. The parents of those students whose entry is to be based on technological aptitude will be required to present their child for the assessment (one hour) at the West Bridgford School in the year preceding entry, details of which will be published within the school’s prospectus.
5. Children who live outside the catchment area and who attend a linked school at the time of the closing date for applications in the year preceding admission to secondary school. Places will be allocated in the first instance to children who, at the time of admission, will have a sibling attending the West Bridgford School in years 7-11. All children in this criteria will be ranked by random allocation.
6. All other children who do not quality for any of the above criteria with priority given to those who live the nearest to the school. No priority is given to siblings.

Year 12
1. Children in public care who are ‘looked after’ at the time an application for admission is made or who the local authority can confirm has been looked after but has ceased to be so because they were adopted, or became subject to a residence order or special guardianship order, immediately following having been looked after and who meet the academic entry requirement.
2. Children who already attend the school and meet the academic entry criteria.
3. Children who do not presently attend the school and meet the academic entry criteria. In the event of an over-subscription of the above criteria, proximity to the school will be used with those living nearer being given priority. Distance measurements to be made ‘as the crow flies’ from the home address to the main reception office of the school.
Primary to secondary allocation summary – applications for year 7 places 2018-2019
For academy, foundation, studio and voluntary aided schools which were oversubscribed, it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools are different and are applied by the individual admission authority. For details of how places were allocated against the oversubscription criteria, you should contact the school for further information. The information is based on national offer day 1 March 2018
