For Nottinghamshire community and voluntary controlled schools, the standard oversubscription criteria are detailed in the Admissions to schools: Guide for parents.

The application breakdown at the back of this document is based on information on national offer day 16 April 2018. For academy, foundation and voluntary aided schools which were oversubscribed in the intake year for 2018-2019 it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools is different and is applied by the individual admission authority. For details of allocation of places, please contact the school for further information.

All school information is correct at the time of print (August 2018) but is subject to change.

Summary of admission oversubscription criteria 2019-2020

1. Places will first be allocated to a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school. An adoption order is an order under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Action 2002 (see section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989 as amended by section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Summary of admission oversubscription criteria 2019/2020

A. A ‘looked after child’ is a child who is: (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with Section 22(1) of The Children’s Act at the time of making an application to a school. “Previously looked after children” are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 and children who were adopted under the section46 of the Adoption and Children Act 2002.

B. Foundation Place applications i.e. children living in the Ecclesiastical Parish of Woodborough on the 15th January 2018.

C. Open Place applications i.e. any other applications

ADMISSION CRITERIA

These will be used in any of the above sections where there are more applications than places available. In the event of two or more applications having equal weight for the same vacancy, under any of the following criteria, the Governors shall offer admission to the child living nearest the school, ‘as the crow flies’. In the event of two distances being equal, lots will be drawn and independently verified.

1. Children who, at the time of admission, have a sibling attending the school.
2. Children where either parent is a regular worshipper at a Church of England Church
3. Children where a parent is either a regular worshipper at a church of any other Christian denomination
4. All other children.

NOTE: - Any application under criteria 2 or 3 must be accompanied by a reference on the school form, from an appropriate minister which supports the information you have given. No application will be considered under these criteria without a current reference, but will be considered under criterion 4.

This policy will apply for admission into Reception Class for the academic year 2019-20.

The Catholic Primary Voluntary Academies listed above are under the Trusteeship of the Diocese of Nottingham and belong to the Nottingham Diocesan family of schools. They are founded by and are part of the Catholic Church and seek at all times to be a witness to Jesus Christ. Religious education and worship are in accordance with the teachings and doctrines of the Catholic Church. This does not affect the right of parents or carers who are not of the faith of these schools to apply for and to be considered for places. We ask all parents or carers applying for a place to respect this ethos and its importance to the school community.

Our academies are principally provided to serve the Catholic communities of Nottinghamshire and Nottingham. The Governors also welcome applications from all parents and carers, regardless of faith or background, who would like their children to be educated in a Christian environment.

The Pax Christi Catholic Academy Trust is the admission authorities for the academies as set out above and is responsible for determining the admissions policies for the Academies in the Trust. On behalf of the Trust the admissions process for Holy Cross, Hucknall, Sacred Heart, Carlton and The Good Shepherd, Woodthorpe is coordinated by Nottinghamshire Local Authority and for St Margaret Clitherow by Nottingham City Local Authority.

All decisions relating to admission applications will be taken by the Governing Body of the Academy applied for.

Parents residing in Nottingham City should consult the Nottingham City Local Authority website, www.nottinghamcity.gov.uk which gives full details of the admissions process within the city, including information on the admissions cycle.
Parents residing in Nottinghamshire should consult the Nottinghamshire Local Authority website, www.nottinghamshire.gov.uk which gives full details of the admissions process in the county, including information on the admissions cycle.
Application Procedure and Timetable
Applications must be made on the Common Application Form provided by your home Local Authority. Applications must be made to your home Local Authority by the national closing date of 15th January.

In addition all applicants wishing to apply for a place under a faith criterion (oversubscription criteria 1-7) should complete the Supplementary Information Form. This form can be downloaded from the Local Authority website within which the school is located and is also available from any of the schools. The completed form, together with any required evidence, (see notes 3-8), should be returned to each Catholic school for which a preference has been made also by the national closing date of 15th January.

If you do not provide the additional required evidence and return it by the closing date your child will be ranked in a lower admissions category and this may affect your child’s chances of being offered a place.

Admission of Children below Compulsory School Age, Deferred Entry and Summer Born Children
If your child is offered a full time place before s/he reaches compulsory school age, you have the option of deferring the child’s entry up until the term in which the child reaches compulsory school age (a child reaches compulsory school age on the prescribed day following his/her fifth birthday or on his/her fifth birthday if it falls on a prescribed day. The prescribed days are 31st December, 31st March and 31st August). A place will be held and will not be offered to another child provided the place is taken up within the same academic year.

Parents can request that their child attends school part-time until the child reaches compulsory school age.

Parents of summer born children, i.e. a child born between 1st April and 31st August, may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted outside of their normal age group to Reception Year rather than Year 1. However, parents need to be aware that if the request is approved (see below on decisions on applications for admission outside of normal age group) they will need to apply again in the next admissions round for a place in that Reception Year and should be aware that a place is not guaranteed as the application will be considered alongside all other applications in that year and the Oversubscription Criteria will still apply.

Admission of children outside their normal age group
Parents may seek a place for their child outside of the normal age group for example if the child is exceptionally gifted and talented or has experienced problems such as ill health. The school anticipates that children will be educated out of their normal age group in only a small number of very exceptional circumstances.

Should you wish to seek a place for your child outside of their normal age group you should still make an application for a school place for your child’s normal age group and you should also submit a request for admission out of the normal age group at the same time, following the procedure set out by your home local authority.

A decision will then be made on which age group the child should be admitted taking into account the circumstances of each case and the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher’s statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

Once that decision has been made the oversubscription criteria will be applied to determine if a place can be offered at the school.

Your statutory right to appeal against the refusal of a place at a school for which you have applied is unaffected. However the right to appeal does not apply if you are offered a place at the school but it is not in your preferred age group.

The school is not required to honour a decision made by another admission authority on admission out of the normal age group.

The school is not required to honour a decision made by another admission authority on admission out of the normal age group.

Late applications
Late applications will be administered in accordance with the Local Authority Primary Coordinated Admissions Scheme within which the academy is located. You are encouraged to ensure that your application is received on time.

Late applications – Nottingham City
Nottingham City Council and the Governing Body may be willing to accept applications which are received late but before the date set by the Local Authority for good reason for example:
- a family returning from abroad
- a lone parent who has been ill for some time
- a family moving into Nottingham from another area
- other exceptional circumstances
Each case will be treated on its merits.

Any preferences received by Nottingham City Council up to the date set by the Local Authority, with good reason for being late, and where appropriate, with the agreement of the Governing Body will be included in the first cycle of allocations and will be notified on the national offer day.

All other late applications for primary school places received by Nottingham City Council after the specified date will be dealt with after the offer day.

Late applications - Nottinghamshire
Certain late applications submitted in the normal admissions round that are received by Nottinghamshire County Council up to the date set by Nottinghamshire County Council will be treated as on time. Such applications will be from parents or carers who:
- have moved into Nottinghamshire; or
- can establish at the time of completing the form that there were exceptional reasons for missing the closing date and were, therefore, unable to meet the published closing date.

Governing Bodies will treat such applications as on time where it is practical to include them in their first ranking.

All other late applications for primary school places received by Nottinghamshire Local Authority after the specified date will be dealt with after the offer day.

Applications during the school year (In-Year Applications)
Details of the application process are available from the school and from the Local Authority within which the school is located. Once an application has been made, it will be passed to the Admissions Committee of the Governing Body for consideration. If the respective year group total is below the published admission number for that year group, the child will be offered a place. If the published admission number has been reached, the child will be only offered a place if the Admissions Committee decides that the education of pupils in that year group will not be detrimentally affected by the admission of an extra pupil.

Offers of places may be withdrawn if they are offered in error, a parent has not responded within 10 school days of issuing of the offer letter issue or it is established that an offer was obtained through a fraudulent or intentionally misleading application.

In cases involving school transfers that do not require a house move or where there is no need for an immediate move, arrangements may be made for the child to start school at the beginning of term to minimise disruption to their own and other children’s education.

If your application is refused you have a statutory right to appeal (see ‘Appeals’ below). Your appeal should be lodged within twenty school days after the date of the decision letter.
Waiting Lists
Parents whose children have not been offered their preferred school in the normal admissions round will be added to their preferred school’s Waiting List. The Waiting List will normally remain open until the end of the Autumn Term in the application year. However, schools may maintain the Waiting List until the end of the academic year. Please contact the school to request further details.

Waiting Lists are maintained in the same order as the oversubscription criteria listed below and not in the order in which applications are received or added to the Waiting List. This means that your child’s position on the Waiting List may change during the year.

Any late applications will be added to the Waiting List in accordance with the oversubscription criteria.

Inclusion on a school’s Waiting List does not mean that a place will eventually become available.

Appeals
If a child is not offered a place, parents/carers have a statutory right to appeal. This should be done by writing to the school setting out your grounds for appeal no later than twenty school days after the decision letter has been received. The appeal will be arranged on behalf of the governors by the Catholic Schools Appeals Service and will be heard by an independent panel. The decision of the panel will be binding on the school.

Fair Access Protocols
Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full. The academies listed in this policy participate in the Fair Access Protocols operated by the Local Authority within which they are located.

Infant Class Size Regulations
Infant classes may not, by law, contain more than 30 pupils with a single qualified teacher. Parents/carers should be aware that when the Governing Body is considering applications for places, they must keep to the 30 limit. Parents/Carers do have a right of appeal in accordance with the Infant Class Size Regulations if the school is oversubscribed and their child is refused a place.

Applications for twins / multiple birth children
Where a place available is offered to a child from a twin or multiple birth the Governors will normally offer places to both twins, triplets etc even if this means exceeding the published admission number as long as the governing body decides that the education of pupils in that year group would not be detrimentally affected.

Attendance at Nursery
Attending a nursery, or a pre-school setting on the site of the school, does not give any priority within the oversubscription criteria for a place in the school. Attendance at the school’s nursery does not guarantee that a place will be offered at the school and for children attending the school’s nursery, application to the reception class of the school must be made in the normal way, to the local authority and using the Common Application Form.

Fraudulent Information
The Governing Body reserves the right to withdraw the offer of a place or, if a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained on the basis of fraudulent or intentionally misleading information.
Admissions Policy for Catholic Primary Voluntary Academies in the Pax Christi Catholic Academy Trust

Oversubscription Criteria
Where schools have more applications than places available, Governors will draw up a ranked list based on the criteria listed below and will allocate places accordingly.

Children who have an Educational Health and Care Plan (EHCP) (see Note 1) which names the school will be admitted. This will reduce the number of places available.

1. Catholic looked after or previously looked after children. (See Notes 2 and 3).
2. Catholic (see Note 3) children living in the parish(es) served by the school
3. Catholic (see Note 3) children living outside the parish(es) served by the school
4. Other looked after or previously looked after children (see Note 2).
5. Catechumens, Candidates and members of Eastern Christian Churches (see Notes 4, 5 and 6)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion (see note 7)
7. Children of other faiths whose membership is evidenced by a religious leader (see note 8)
8. Any other children not within categories 1-7.

First priority within the Oversubscription Criteria will be given to applications from children who will have siblings (see note 9) attending the school at the proposed time of admission.

Distance Measurement
Within each criterion applications will be ranked on distance with priority given to children who live nearest to the academy using the same method of measurement as used by the Local Authority within which the academy is located (see below).

Distance measurement – Nottingham City
For the academies located in Nottingham City distance will be measured in a straight line (by a computerised geographical information system) from the centre of the academy campus to a point at the pupil’s home address identified by the Local Land and Property Gazetteer.

Distance measurement – Nottinghamshire
For the academies located in Nottinghamshire Distance measurements will be taken in a straight line from the entrance to the child’s home to the principal entrance to the main administrative building of the academy. This will be calculated by Nottinghamshire County Council’s computerised distance measuring software. In the event of needing to discriminate between pupils living in the same block of flats, where the same distance measurement is produced, the lowest numbered flat(s) will be treated as closest to the academy.

Tie Breaker
In a very few cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place (eg children who live at the same address or have the same distance measurement). In this exceptional situation, if there is no other way of separating the applications then the governors will admit the additional child above the planned admission number. If however, admission would result in the legal limit of 30 children being exceeded, then the place will be allocated by the drawing of lots supervised by someone independent of the Academy.

Notes (these form part of the oversubscription criteria)

1. An Education, Health and Care Plan (EHCP), is a plan made by the Local Authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002.

Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

3. ‘Catholic’ means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into full communion with the Catholic Church signed by a Catholic Priest and stamped with the parish stamp. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (i.e. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest.

4. ‘Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens or a letter of verification signed by the parish priest and stamped with the parish stamp.

5. ‘Candidate’ means a candidate for reception into the Catholic Church. This will normally be evidenced by a letter of verification signed by the parish priest and stamped with the parish stamp.

6. ‘Eastern Christian Church’ includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

7. ‘Children of other Christian denominations’ means children who are members of a Church or religious community that practises Trinitarian baptism recognised by the Catholic Church, and is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the minister of religion for that church.

8. ‘Children of other faiths’ means children who are members of a religious community that does not fall within the definitions 3-7 above. This is normally evidenced by a Baptism Certificate, a Certificate of Dedication or a letter of verification signed by the religious leader of the community.

9. ‘Siblings’ means a child who lives as a brother or sister in the same house, including natural brothers or sisters with either one or both parents in common, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, or the child of a parent’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. It also includes natural brothers or sisters where the child for whom the school place is sought is not living in the same family unit as the same address as that sibling.
10. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

11. Home Address: The governors of each school use the same definition as used by the Local Authority within which the school is located.

12. For the purposes of this policy, parish boundaries are as shown on the map available on the school website.
First admission allocation summary - applications for reception places 2018-2019

For academy, foundation, studio and voluntary aided schools which were oversubscribed, it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools are different and are applied by the individual admission authority. For details of how places were allocated against the oversubscription criteria, you should contact the school for further information. The information is based on national offer day 16 April 2018.
